NWT Snowboard Statement on Safe Sport

Northwest Territories Snowboard (“NWT Snowboard”) has a fundamental obligation and responsibility to protect the health, safety and physical and mental well-being of every individual that is involved in the snowboarding community.

NWT Snowboard takes situations involving misconduct or *Prohibited Behaviour* very seriously. For this reason, NWT Snowboard is committed to enacting and enforcing strong, clear, and effective policies and processes for preventing and addressing all forms of misconduct or *Prohibited Behaviour*.

NWT Snowboard’s policies are intended to promote a safe sport environment in a manner that allows for consistent, immediate, appropriate, and meaningful action should any issues arise. They are also intended to prevent issues from arising in the first place by communicating expected standards of behaviour.

To this end, NWT Snowboard has adopted the *Universal Code of Conduct to Prevent and Address Maltreatment in Sport* in May 2026 as part of its conduct standard. The UCCMS shall be considered as incorporated by reference in this Sport Integrity Policy Suite and will apply, as amended from time to time, to all Individuals and Members as a condition of their participation in the sport of snowboarding in Canada and/or their membership in Canada Snowboard and NWT Snowboard.

Should any *Organizational Participant* wish to report an incident or concern about misconduct or *Prohibited Behaviour* by anyone associated with NWT Snowboard, including, but not limited to, *Athletes*, participants, coaches, officials, volunteers, and parents/guardians of *Athletes*, they may do so directly through the identified pathway identified below or through the applicable channels as established by statute.

It should also be noted that certain policies found in this Sport Integrity Policy Suite also apply to matters beyond safe sport, such as the Appeal Policy. As such, these policies will also be published on NWT Snowboards website so that they are accessible and applicable in all relevant areas.

NWT Snowboard makes the following commitments to sport environment free from misconduct and *Prohibited Behaviour*:

- a) All participants in sport can expect to play, practice, and compete, work, and interact in an environment free from misconduct and *Prohibited Behaviour*.
- b) Addressing the causes and consequences of misconduct and *Prohibited Behaviour* is a collective responsibility and requires the deliberate efforts of all participants, broader sport community, sport club administrators and organization leaders.

- c) Participants in positions of trust and authority have the general responsibility to protect the health and well-being of all other participants.
- d) Adult participants have a specific ethical and statutory duty and the additional responsibility to respond to incidents of misconduct and *Prohibited Behaviour* involving *Minors* and other *Vulnerable Organizational Participants*.
- e) All participants recognize that misconduct and *Prohibited Behaviour* can occur regardless of age, sex, sexual orientation, gender identity or expression, race, ethnicity, Indigenous status, or level of physical and intellectual disability and their intersections. Moreover, it is recognized that those from traditionally marginalized groups have increased vulnerability to experiences of misconduct and *Prohibited Behaviour*.
- f) All participants recognize that individuals who have experienced misconduct and *Prohibited Behaviour* may experience a range of effects that may emerge at different time points and that can profoundly affect their lives.
- g) All adults working with children and youth have a duty to prevent or mitigate opportunities for misconduct and *Prohibited Behaviour*.
- h) Individuals affiliated with NWT Snowboard may be required to complete appropriate mandatory training on preventing and addressing *Harassment* and abuse.
- i) In recognition of the historic vulnerability to discrimination and violence amongst some groups, which persists today, participants in positions of trust and authority have a duty to incorporate strategies to recognize systemic bias, unconscious bias, and to respond quickly and effectively to discriminatory practices.

Athlete Protection Policy

Purpose

1. This *Athlete Protection Policy* describes how *Persons in Authority* shall maintain a safe sport environment for all *Athletes*.

Interactions between Persons in Authority and Athletes – the ‘Rule of Two’

2. NWT Snowboard requires that the ‘Rule of Two’ be followed for all *Persons in Authority* who interact with *Athletes*, to the maximum extent possible in the circumstances. The ‘Rule of Two’ is a directive that says that an *Athlete* must never be alone one-on-one with an unrelated *Person in Authority*. The Coaching Association of Canada described the intention of the ‘Rule of Two’ as follows:
 - a) A coach must never be alone or out of sight with a minor athlete. Two NCCP trained or certified coaches should always be present with an athlete, especially a minor athlete, when in a potentially vulnerable situation such as in a locker room or meeting room. All one-on-one interactions between a coach and an athlete must take place within earshot and in view of a second coach except for medical emergencies. One of the coaches must also be of the same gender as the athlete. Should there be a circumstance where a second screened and NCCP trained or certified coach is not available, a screened volunteer, parent, or adult can be recruited.
3. NWT Snowboard recognizes that fully implementing the ‘Rule of Two’ may not always be possible in some instances. Consequently, at a minimum, interactions between *Persons in Authority* and *Athletes* must respect the following:
 - a) To the maximum extent possible, the training environment should be visible and accessible so that all interactions between *Persons in Authority* and *Athletes* are observable;
 - b) Private and one-on-one situations that are not observable by another adult or *Athlete* should be avoided to the maximum extent possible;
 - c) A *Vulnerable Organizational Participant* may not be alone under the supervision of a *Person in Authority* unless prior written permission is obtained from the *Vulnerable Organizational Participant’s* parent or guardian;
 - d) *Persons in Authority* may not invite or host *Vulnerable Organizational Participants* in their home without the written permission from parents or guardians or without parents or guardians having contemporaneous knowledge of the visit.

Competitions, Training Sessions, and Practices

4. For competitions, training sessions and practices, NWT Snowboard recommends:
 - a) A *Person in Authority* should never be alone with a *Vulnerable Organizational Participant* prior to or following a competition or training session unless the *Person in Authority* is the *Vulnerable Organizational Participant's* parent or guardian;
 - b) If a *Vulnerable Organizational Participant* is the first *Athlete* to arrive, the *Athlete's* parent(s) and/or guardian(s) should remain until another *Athlete* or *Person in Authority* arrives;
 - c) If a *Vulnerable Organizational Participant* would potentially be alone with a *Person in Authority* following a competition or training session, the *Person in Authority* should ask another *Person in Authority* (or a parent or guardian of another *Athlete*) to stay until all the *Athletes* have been picked up. If an adult is unavailable, another *Athlete*, who is preferably not a *Vulnerable Organizational Participant*, should be present to avoid the *Person in Authority* being alone with a *Vulnerable Organizational Participant*;
 - d) *Persons in Authority* giving instructions, demonstrating skills, or facilitating drills or lessons to an individual *Athlete* should always do so within earshot and eyesight of another *Person in Authority*;
 - e) *Persons in Authority* and *Athletes* should take steps to achieve transparency and accountability in their interactions. For example, a *Person in Authority* and an *Athlete* who know they will be away from other *Organizational Participants* for a lengthy period must inform another *Person in Authority* where they are going and when they expect to return. *Persons in Authority* should always be reachable by phone or text message.

Communications

5. For communication between *Persons in Authority* and *Athletes*, NWT Snowboard recommends:
 - a) Group messages, group emails or team pages are to be used as the regular method of communication between *Persons in Authority* and *Athletes*.
 - b) *Persons in Authority* may only send texts, direct messages on *Social Media* or emails to individual *Athletes* when necessary and only for communicating information related to team issues and activities (e.g., non- *Personal Information*). Any such texts, messages or emails shall be professional in tone;
 - c) Electronic communication between *Persons in Authority* and *Athletes* that is personal in nature should be avoided. If such personal communication is unavoidable, it must be recorded and available for review by another *Person in*

Authority and/or by the *Athlete's* parent/guardian (when the *Athlete* is a *Vulnerable Organizational Participant*);

- d) Parents/guardians may request that their child not be contacted by a *Person in Authority* using any form of electronic communication and/or may request that certain information about their child not be distributed in any form of electronic communication;
- e) All communication between a *Person in Authority* and *Athletes* must occur between the hours of 9:00 am and 8:00 pm unless extenuating circumstances justify otherwise;
- f) Communication concerning illegal drugs or alcohol use (unless regarding its prohibition) is not permitted;
- g) No sexually explicit language or imagery or sexually oriented conversation may be communicated in any medium;
- h) *Persons in Authority* may not ask *Athletes* to keep a personal secret for them.

Virtual Settings

- 6. The Rule of Two shall apply to all Minors in a virtual environment, specifically:
 - a) For *Athletes* under the age of 18, where possible, a parent/guardian should be present during any virtual session;
 - b) Two adult coaches should be present or one coach and one adult (parent, guardian, volunteer, club administrator). One-on-one virtual sessions are prohibited;
 - c) Coaches shall be informed by NWT Snowboard of the expected standards of conduct during virtual sessions;
 - d) Parents/guardians of Minors shall be informed by NWT Snowboard, of the activities that will take place during the virtual session, as well as the process of the virtual session;
 - e) Parents/guardians of Minors shall provide consent to the Minor participating in the virtual session, if irregularly scheduled, or prior to the first session if the sessions will take place on a regular basis;
 - f) Communications during virtual sessions shall take place in an open and observable environment. Sessions must be initiated in appropriate locations (i.e., not in personal or inappropriate locations such as bedrooms);

- g) Virtual sessions should be recorded whenever allowed by the technology being used; and
- h) Parents/guardians should debrief with Minors on a weekly basis regarding virtual sessions.

Travel

- 7. For travel involving *Persons in Authority* and *Athletes*, NWT Snowboard recommends:
 - a) Teams or groups of *Athletes* shall always have at least two *Persons in Authority* with them;
 - b) For mixed gender teams or groups of *Athletes*, there should be one (1) *Person in Authority* from each gender;
 - c) If two *Persons in Authority* cannot be present, reasonable efforts should be made to supplement supervision with screened parents or other volunteers;
 - d) To the maximum extent possible, no *Person in Authority* may drive a vehicle alone with an *Athlete* unless the *Person in Authority* is the *Athlete's* parent or guardian;
 - e) A *Person in Authority* may not share a hotel room or be alone with an *Athlete* unless the *Person in Authority* is the *Athlete's* parent/guardian, family member or spouse;
 - f) Room or bed checks during overnight stays must be done by two *Persons in Authority*;
 - g) For overnight travel when *Athletes* must share a hotel room, roommates must be age-appropriate and of the same gender identity.

Locker Rooms/Changing Areas

- 8. For changing areas and other closed meeting spaces, NWT Snowboard recommends:
 - a) Interactions between *Persons in Authority* and *Athletes* should not occur in any area where there is a reasonable expectation of privacy such as a locker room, washroom or changing area. A second adult should be present for any necessary interaction between an adult and an *Athlete* in any such area;
 - b) If *Persons in Authority* are not present in the locker room or changing area, or if they are not permitted to be present, they should still be available outside the locker room or changing area and be able to enter the room or area if required, for reasons including, but not limited to, team communications and/or emergencies.

Photography/Video

9. For all photography and video of an *Athlete*, NWT Snowboard recommends:
- a) Photographs and video should only be taken in public view. Content must observe generally accepted standards of decency and be both appropriate for and in the best interest of the *Athlete*;
 - b) The use of recording devices in areas where there is a reasonable expectation of privacy is strictly prohibited;
 - c) Examples of photos that shall be edited or deleted include:
 - i. images with misplaced apparel or where undergarments are showing;
 - ii. suggestive or provocative poses; and
 - iii. embarrassing images.
 - d) If any content featuring an *Athlete* will be used on any form of public media, a Photo and Video Consent Form (**Appendix A**) must be completed before the content is recorded.

Physical Contact

10. Physical contact between *Persons in Authority* and *Athletes* may be necessary for various reasons including, but not limited to, teaching a skill, or tending to an injury. For physical contact, NWT Snowboard recommends:
- a) A *Person in Authority* must always request permission to make physical contact from the *Athlete* in advance and clearly explain where and why the physical contact will occur. The *Person in Authority* must make clear that they are requesting to touch the *Athlete* and not requiring physical contact;
 - b) Infrequent, physical contact during training is not a violation of policy;
 - c) Non-essential physical contact may not be initiated by the Person of Authority. It is recognized that some *Athletes* may initiate non-essential physical contact such as hugging or other physical contact with a *Person in Authority* for various reasons (e.g., such as celebrating or crying after a poor performance). This physical contact should always occur in an open and observable environment.

Enforcement

11. Any alleged violations of this *Athlete Protection Policy* shall be addressed pursuant to the *Sport Integrity and Complaints Policy*.

Privacy

12. The collection, use and disclosure of any personal information pursuant to this Policy is subject to NWT Snowboards policies and practices regarding private and/or confidential information.

2. *Organizational Participants* are expected to fulfill certain responsibilities and obligations including, but not limited to, complying with all policies, by-laws, rules, and regulations of NWT Snowboard, as updated, and amended from time to time.
3. Non-compliance with any of NWT Snowboard's policies, by-laws, rules, or regulations, may result in the imposition of sanctions pursuant to this policy and/or the by-laws of NWT Snowboard.

Application

Application – General

4. This policy applies to all *Organizational Participants* and to any alleged breaches of NWT Snowboard's policies, by-laws, rules, or regulations, that designate this policy as applicable to address such alleged breaches.
5. In addition to being subject to disciplinary action pursuant to this policy, an employee of NWT Snowboard who is a *Respondent* to a complaint may also be subject to consequences in accordance with the employee's employment agreement or NWT Snowboard's human resources policies, if applicable.
6. In addition to being subject to disciplinary action pursuant to this policy, *Members* of NWT Snowboard who is a *Respondent* to a complaint may also be subject to consequences in accordance with NWT Snowboard's bylaws, as applicable.

Reporting

CSSP Participants

7. Any incident that involves alleged *Prohibited Behaviour* (as defined in the *UCCMS* and the *CSSP*) and involving a *CSSP Participant* must be reported to the [SIC](#) and will be addressed pursuant to the *CSSP Rules*.
8. Notwithstanding the requirement in Section 6, the *SIC* shall determine the admissibility of complaints related to any incidents that involve alleged *Prohibited Behaviour* that occurred prior to [EFFECTIVE DATE] in accordance with the relevant and applicable *CSSP Rules*.

9. If NWT Snowboard's *Independent Third Party* receives a complaint that they consider would otherwise fall within the above sections, they shall immediately refer the matter to the *SIC* and notify the individual(s) that made the complaint of such action.
10. If a complaint involves multiple *Respondents*, including one or more *CSSP Participants*, the *Independent Third Party* may hold the complaint in abeyance pending a jurisdictional determination by the *SIC*.

Organizational Participants

11. Any complaints involving alleged breaches of NWT Snowboard's policies that designates the *Sport Integrity and Complaints Policy* as the applicable mechanism and that do not fall within Sections 6 or 7 above may be reported by an *Organizational Participant* or any other individual to the *Independent Third Party* in writing within six (6) months of the occurrence of the incident. For the avoidance of doubt, this includes complaints referred to the *Independent Third Party* by the *SIC* if the *SIC* determines that a complaint initially reported to the *SIC* does not fall within its jurisdiction. The *SIC* is not required to comply with the deadline specified in this section.
 - a) If a complaint is filed with the *Independent Third Party* in writing after six (6) months of the occurrence of the incident but within five (5) years of the incident, the *Independent Third Party* may, at their sole discretion, determine whether to accept the complaint if they determine that there are reasonable grounds for the delay.
 - b) If the complaint is submitted within five (5) years after the occurrence of the incident, the *Independent Third Party* may only accept a complaint if they determine that doing so is warranted based on their assessment of the following non-cumulative factors:
 - i. the relevant rules, norms and policies, including without limitation, social and legal norms, in effect at the time of the alleged event(s);
 - ii. the severity of the allegations and the facts and circumstances of the matter;
 - iii. the safety and well-being of participants and the sport community;
 - iv. the potential risks and prejudice from action and inaction, with safety being paramount;
 - v. the ability to identify potential *Parties* and witnesses and to obtain sufficient evidence; and
 - vi. the best interest of sport and those who participate in it, including the views of the person(s) directly impacted, when feasible.

1. If a complaint submitted within five (5) years after the incident involves allegations, if proven, would trigger a presumptive sanction of permanent ineligibility, the complaint shall be accepted.
- c) Complaints of sexual *Maltreatment* may be brought at any time. While all complaints will be given due consideration, the ability to proceed may depend on the availability of evidence, the identification of involved *Parties*, and other necessary factors for a fair and effective process.
12. Notwithstanding any provision in this policy, NWT Snowboard may, at its discretion, or upon request by the *Independent Third Party*, act as the *Complainant* and initiate the complaint process under the terms of this policy. In such cases, NWT Snowboard will identify an individual to represent NWT Snowboard.
13. A *Complainant* or any other individual who submits a report regarding a potential breach of the Organization's policies who fears retribution or reprisal or who otherwise considers that their identity must remain confidential may file a complaint with the *Independent Third Party* and request that their identity be kept confidential. If the *Independent Third Party* considers that the *Complainant's* identity must remain confidential during the initial stages, the *Independent Third Party* may ask that NWT Snowboard take carriage of the complaint and act as the *Complainant*.³ The confidentiality of the *Complainant's* identity may not be guaranteed. A *Complainant's* identity may need to be disclosed if required to ensure procedural fairness, if legally mandated, or if necessary to the effective resolution of the Complaint. If disclosure becomes necessary, the *Complainant* will be informed in advance, and reasonable measures will be taken to minimize any potential harm.

Minors

14. Complaints may be brought by or against an *Organizational Participant* who is a *Minor*. *Minors* must have a parent/guardian or other adult serve as their representative during this process. Where appropriate, the *Minor's* preference regarding their representative should be considered.
15. Communication from the *Independent Third Party*, *Internal Discipline Chair* or *Dispute Resolution Officer* (as applicable) must be directed to the *Minor's* representative.
16. If the *Minor's* representative is not their parent/guardian, the representative must have written permission to act in such a capacity from the *Minor's* parent/guardian, unless the parent/guardian is implicated in the complaint or is otherwise unable to act in the *Minor's* best interest.
17. A *Minor* is not required to attend or participate in an oral hearing, if held, or participate in an investigation if conducted. In such circumstances, no adverse inference can be drawn against the *Minor*.

³ In such circumstances, the *Complainant(s)* may be required to provide evidence during the disciplinary process.

Independent Third-party Responsibilities

18. Upon receipt of a complaint, the *Independent Third Party* has a responsibility to:
 - a) determine whether the complaint falls within the jurisdiction of this policy and whether it has been submitted in accordance with the deadlines indicated herein;
 - b) determine the appropriate jurisdiction to manage the complaint by considering whether the incident occurred within the business, activities, or *Events* of NWT Snowboard;
 - c) determine whether the complaint is frivolous, vexatious or if it has been made in bad faith;⁴
 - d) determine if the alleged incident should be investigated pursuant to **Appendix A – Investigation Procedure**; and
 - e) choose which process (Process #1 or Process #2, as outlined below) should be followed to hear and adjudicate the matter.
19. If a complaint falls within the jurisdiction of the policy, the *Independent Third Party* will prepare a complaint summary which includes the specific allegations against the *Respondent* and forms the basis of the complaint process moving forward, to be provided to the *Respondent*.
20. If a complaint does not fall within the jurisdiction of the policy, the *Independent Third Party* must reject the complaint, providing appropriate reasons in writing.

Available Process

21. There are two different processes that may be used to hear and adjudicate complaints involving *Organizational Participants*. Subject to Sections 6-9, the *Independent Third Party* decides which process will be followed at their discretion. Such a decision is not appealable. The following processes are available to *Organizational Participants* of NWT Snowboard or other individuals who have submitted a complaint. Should NWT Snowboard designate *CSSP Participants* and violations of the *UCCMS* by *CSSP Participants* are alleged, please refer to sections 6-9.

Process #1 – the complaint contains allegations other than breaches of the *UCCMS* by an *Organizational Participant*, such as violations of team policy or

⁴ As indicated in the *SDRCC's* Investigation Guidelines, a reported complaint shall not be characterized as vexatious if the evidence demonstrates that there was a reasonable basis for filing and pursuing it. For a complaint to be considered to have been made in bad faith, the *Independent Third Party* must consider that it was filed consciously for a dishonest purpose or due to the moral underhandedness of the *Complainant* and that there was an intention to mislead.

breaches conduct standards other than the *UCCMS*. This includes reports of violations of the Laws of the Game submitted by Officials.

Process #2 – The complaint contains allegations involving violations of the *UCCMS* by an *Organizational Participant*:

Please refer to “**Procedural Steps**” below regarding how Process #1 and Process #2 complaints are handled.

Provisional Measures

22. *Provisional Measures* may be imposed in a reasonable and proportionate manner, without limitation, having regard to a consideration of the following factors:
 - a) The safety or well-being of any *Organizational Participant* and the NWT Snowboard community;
 - b) The seriousness of the allegations and the facts and circumstances of the case;
 - c) Potential risks and prejudice from action and inaction;
 - d) The best interest of sport and those who participate in it;
 - e) The impact of the measures on the *Respondent*; and
 - f) The integrity of the process.
23. If it is considered appropriate or necessary on the basis of the circumstances, immediate discipline or the imposition of a *Provisional Measures* may be imposed against any *Organizational Participant* by the President/Chair of the Board of Directors of NWT Snowboard after which further discipline or sanctions may be applied according to this policy.
 - a) The *Independent Third Party* will notify NWT Snowboard of a complaint and provide a non-binding recommendation regarding *Provisional Measures* if the allegations involve behaviours identified under the Presumptive Sanction section of the *UCCMS*. In such circumstances, the *Independent Third Party* may only disclose a summary of the allegations and the identity of the *Respondent*, with no other identifying information provided.
 - b) Registered Participants may also be subject to *Provisional Measures* in accordance with the On-Field Sanctioning Guidelines pending a hearing under Process #1. Such *Provisional Measures* are not subject to appeal.
24. If an infraction occurs at a competition, it will be dealt with by the procedures specific to the competition, if applicable. *Provisional Measures* may be imposed for the duration of a

competition, training, activity, or *Event* only, or as otherwise determined appropriate by the designated *Party* at the competition.⁵

- 25.** Notwithstanding the above section, NWT Snowboard may determine that an alleged incident at an *Event* is of such seriousness as to warrant the imposition of a *Provisional Measure* on a *Respondent* pending completion of a *CSSP* Process as defined in the *CSSP* Rules, criminal process, the hearing, or a decision of the *Dispute Resolution Officer*. For the avoidance of doubt, NWT Snowboard shall have discretion to impose *Provisional Measure* in addition to any measures imposed by the *SIC* through a *CSSP* process.
- 26.** Any *Respondent* against whom a *Provisional Measure* is imposed may make a request to the *Dispute Resolution Officer* (once appointed) to have the *Provisional Measure* lifted. In such circumstances, NWT Snowboard shall be provided with an opportunity to make submissions, orally or in writing, regarding the *Respondent's* request to have the *Provisional Measure* lifted. *Provisional Measures* shall only be lifted in circumstances where the *Respondent* establishes that it would be manifestly unfair to maintain the *Provisional Measure* against them.
- 27.** Any decision, which shall be in writing with appropriate reasons, not to lift a *Provisional Measure* shall not be subject to appeal.

Procedural Steps

PROCESS #1: Addressed by Internal Discipline Chair

28. Following the determination that the complaint or incident should be handled under Process #1, the *Independent Third Party* will notify NWT Snowboard. NWT Snowboard will administer the process moving forward, including by appointing an *Internal Discipline Chair*.⁶
29. Officials may submit Match Reports through the designated portal. Match Reports will be provided to the *Internal Discipline Chair* for review. Breaches of the applicable conduct standard will be reviewed by the *Internal Discipline Chair*; if the On-Field Sanctioning Guidelines provide for an automatic sanction, the *Internal Discipline Chair* shall impose the identified sanction unless they determine that a hearing is necessary. For all other Match Reports, the *Internal Discipline Chair* shall follow the procedure as set out below.

Dispute Resolution - General

30. Hearings before the *Internal Discipline Chair* are intended to be quick, informal, and cost-effective proceedings. The format of a hearing may be a hearing by telephone or

⁵ In-competition discipline or sanction imposed by the applicable official or authority does not prevent an *Organizational Participant* from facing additional disciplinary proceedings under the *Code*.

⁶ The appointed *Internal Discipline Chair* must be unbiased and not in a conflict of interest.

other communication medium, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods.

31. The *Internal Discipline Chair* is responsible for determining the appropriate procedure of a hearing, provided that:
 - a) within five (5) *days* of their appointment, the *Internal Discipline Chair* shall contact the *Complainant(s)/Official* and the *Respondent(s)* to initiate the process;
 - b) the process is expedited and must commence within one (1) to five (5) *days* from the *Internal Discipline Chair's* first contact with the *Parties*, unless there are extenuating circumstances or scheduling considerations that reasonably delay the start of the hearing.
32. The *Internal Discipline Chair* may:
 - a) propose and apply alternative dispute resolution techniques, if appropriate; and/or
 - b) ask the *Complainant* and the *Respondent* for either written or oral submissions regarding the complaint or incident. At the discretion of the *Internal Discipline Chair*, both *Parties* may submit to the *Internal Discipline Chair* any relevant evidence, including, but not limited to, witness statements, documentary evidence or evidence from other media (i.e., photos, screenshots, videos or other recordings). Each *Party* shall have the right to receive the other *Party's* submissions and evidence. In the case of oral submissions, each *Party* shall be present when such submissions are made (unless waived by a *Party*); and/or
 - c) following receipt of the *Parties'* submissions, the *Internal Discipline Chair* may convene the *Parties* to a hearing, to ask the *Parties* questions. The *Internal Discipline Chair* may allow the *Parties* to ask questions of one another, if they deem it appropriate and necessary.
33. Following their review of the submissions and evidence related to the complaint or Match Report, the *Internal Discipline Chair* shall determine if any of the incidents identified in the complaint summary above have occurred and, if so, determine whether to impose a sanction and, if so, determine the appropriate sanction (see: **Sanctions**, below).
34. If, after hearing the *Parties* and reviewing their submissions, the *Internal Discipline Chair* considers that none of the incidents identified in the complaint summary or Match Report occurred or the incidents did not violate the applicable conduct standard, they shall dismiss the matter.
35. The *Internal Discipline Chair* will inform the *Parties* of their decision, which shall be in writing and include reasons. The *Internal Discipline Chair's* decision will take effect immediately, unless specified otherwise. Should the circumstances require a decision to

be rendered immediately or within a short timeline, the *Internal Discipline Chair* may render a short decision, either orally or in writing, followed by a written reasoned decision.

36. Any decision rendered by the *Internal Discipline Chair* shall be provided to and maintained in the records of NWT Snowboard.
37. Decisions of the *Internal Discipline Chair* may not be appealed.
38. Decisions will be kept confidential by the *Parties* and the aforementioned organizations and shall be retained and discarded in accordance with the relevant and applicable privacy legislation. Sanctions where an *Organizational Participants'* eligibility is restricted in any manner for a period of three (3) months or more must be published in accordance with the *Publication Guidelines*.

PROCESS #2: Independent Third Party and Dispute Resolution Officer

Independent Third Party

39. Process #2 deals with violations of the *UCCMS* by *Organizational Participants*. Following the determination that the complaint should be handled under Process #2, the *Independent Third Party* will appoint a *Dispute Resolution Officer* to hear the complaint.
40. Thereafter, the *Independent Third Party* shall have the following responsibilities:
 - a) coordinate all administrative aspects of the process;
 - b) provide administrative assistance and logistical support to the *Dispute Resolution Officer* as required, including providing the *Dispute Resolution Officer* with any information related to previously imposed disciplinary sanctions against the *Respondent(s)* of the policies of NWT Snowboard, or any other sport organization that had authority over the *Respondent*; and
 - c) provide any other service or support that may be necessary to ensure a fair and timely proceeding.
41. If warranted, based on the extraordinary nature of the case, the *Independent Third Party* may, in their sole discretion, appoint a panel of three (3) *Dispute Resolution Officers*. When a three-person panel is appointed, the *Independent Third Party* will appoint one of the *Dispute Resolution Officers* to serve as the Chair.
42. Once appointed, the *Dispute Resolution Officer* or designated Chair will be the primary point of contact for the *Parties*, unless otherwise indicated.

Dispute Resolution – General

43. The complaint process will be determined by the *Dispute Resolution Officer*, as they deem appropriate in the circumstances, provided that:
- a) within five (5) working *days* of their appointment, the *Dispute Resolution Officer* shall contact the *Complainant(s)* and the *Respondent(s)* to initiate the process;
 - b) all matters under this policy, including investigations, interviews, administrative meetings and hearings, may be held virtually or in person or a hybrid;
 - c) the process is to be expedited, and must commence within three (3) to five (5) working *days* from the *Dispute Resolution Officer's* first contact with the *Parties*, unless there are extenuating circumstances or scheduling considerations which reasonably delay the start of the hearing;
 - d) the *Dispute Resolution Officer* will determine whether it is appropriate for the matter to proceed to mediation first (**See: Alternative Dispute Resolution**). If the *Dispute Resolution Officer* does not believe that the matter should proceed to mediation or any of the *Parties* refuse to go to mediation, the matter will move directly to arbitration (**See: Arbitration Process**).

Alternative Dispute Resolution (ADR)

44. NWT Snowboard supports the principles of ADR and is committed to the techniques of negotiation, facilitation, and mediation as effective ways to resolve disputes. ADR also avoids the uncertainty, costs, and other negative effects associated with lengthy investigation, hearings, and appeals.
45. All *Parties* are encouraged to communicate openly, and to collaborate and use problem-solving and negotiation techniques to resolve their differences.
46. NWT Snowboard's position is that negotiated settlements are most often preferable to arbitrated outcomes.
47. Should a negotiated settlement be reached, the settlement shall be reported by the *Independent Third Party* to all *Parties* involved, as well as NWT Snowboard. Following the settlement, any actions and/or sanctions shall be enacted in accordance with the timelines specified by the negotiated decision.
48. Should a tentative negotiated settlement be reached, the proposed settlement shall be reported to NWT Snowboard for approval if it involves any obligations or may reasonably impact the operations or reputation of NWT Snowboard. NWT Snowboard may approve, reject, or propose amendments to a proposed settlement. Any decision by NWT Snowboard to approve, reject, or propose amendments to a negotiated settlement may not be appealed.
49. Any actions that are to take place because of the proposed settlement shall be completed in accordance with the timelines specified by the negotiated settlement, pending approval. The *Parties* may not withdraw from the proposed settlement pending the approval of any actions to be taken NWT Snowboard.
50. Failure to comply with a signed negotiated settlement will result in the suspension of the individual from participating in sanctioned activities. The lifting of the suspension will be reviewed by NWT Snowboard upon the completion of all conditions identified in the signed negotiated settlement.
51. Any negotiated settlement will be final and binding on the *Parties*. Negotiated settlements may not be appealed.
52. A non-disclosure agreement (NDA) or any other confidentiality provision entered as part of a negotiated settlement may not prevent the publication by NWT Snowboard or other applicable sport organization of sanctions on registries such as the *CSSP* Registry, *SIC* Database, or *NSO* database. NDAs may not be entered into if a complaint involves allegations of sexual *Maltreatment*, grooming and boundary transgressions unless such an agreement:
 - a) is the expressed wish and preference of the *Complainant(s)*;

- b) includes an opportunity for the *Complainant(s)* to decide to waive their own confidentiality in the future and the process for doing so;
 - c) aligns with the principles of the *UCCMS*;
 - d) is of a set and limited duration; and
 - e) does not adversely affect:
 - i. the health or safety of a third *Party*, or
 - ii. the public interest
53. Any NDA in a Complaint involving allegations of sexual *Maltreatment*, grooming or boundary transgressions must be reviewed and approved by the *Dispute Resolution Officer*. The *Dispute Resolution Officer* may, at their sole discretion, approve, reject, or propose amendments to an NDA. Any decision by the *Dispute Resolution Officer* to approve, reject, or propose amendments to an NDA may not be appealed.
54. Any negotiated settlement will be binding on the *Parties*. Negotiated settlements may not be appealed.
55. Should a negotiated settlement not be reached, the matter will proceed to arbitration.

Arbitration Process

56. The *Dispute Resolution Officer* is responsible for determining the appropriate process of a hearing. The format of a hearing may be an in-person hearing, an oral hearing by telephone or other communication medium, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods.
57. The *Dispute Resolution Officer* shall ensure that:
- a) all *Parties* are given the opportunity to present evidence in a manner which complies with the fundamental principles of procedural fairness, and is sensitive to the needs of *Minors*, survivors of trauma, and other vulnerable individuals;
 - b) nothing is admissible in evidence at a hearing that would be inadmissible in a court by reason of any privilege under the law of evidence or is inadmissible by any statute. The *Dispute Resolution Officer* may allow any evidence at the hearing filed by the *Parties* and may exclude any evidence is unduly repetitious or otherwise an abuse of process. The *Dispute Resolution Officer* shall otherwise apply relevant and applicable evidentiary rules in relation to the admissibility and weight given to evidence filed by the *Parties*.
 - c) if the *Dispute Resolution Officer* grants a request from either *Party* for additional

time, the *Dispute Resolution Officer* has the authority to impose additional interim conditions;

- d) the *Parties* must be given:
 - i. appropriate notice of the day, time, and place of the hearing, in the case of an oral in-person hearing or an oral hearing by telephone or other communication medium, and
 - ii. copies of any written documents which the *Parties* wish to have the *Dispute Resolution Officer* consider will be provided to all *Parties*, through the *Independent Third Party*, in advance of the hearing.
 - e) the *Parties* may engage a representative, advisor, or legal counsel at their own expense;
 - f) if the *Respondent* acknowledges the facts of the incident(s), the *Respondent* may waive the hearing, in which case the *Dispute Resolution Officer* will determine the appropriate sanction. The *Dispute Resolution Officer* may still hold a hearing for the purpose of determining an appropriate sanction. In such circumstances, victim impact statements may be considered by the *Dispute Resolution Officer*;
 - g) the process will proceed if a *Party* chooses not to participate in the hearing;
 - h) the *Dispute Resolution Officer* may request that any other individual or organization participate and give evidence at the hearing, including a NWT Snowboard, provided such participation is reasonably required to effectively conduct the proceedings and is not prejudicial to the interest of the *Parties*; and
 - i) if not a *Party*, a designated representative of a NWT Snowboard may be allowed to attend the hearing as an observer and will be provided with access to any documents submitted, bound by the confidentiality requirements of this policy. With the permission of the *Dispute Resolution Officer*, NWT Snowboard may make submissions at the hearing or may provide the discipline panel with clarifying information that may be required for the *Dispute Resolution Officer* to render its decision.
58. Any procedural decisions by the *Dispute Resolution Officer* may not be appealed.
59. The *Dispute Resolution Officer* has the power to modify a *Provisional Measure* and relieve against non-compliance with time limits, or any other technicality or irregularity as set out in this policy.
60. The determination of procedures and timelines, as well as the hearing duration, shall be as expedient and cost-efficient as possible to ensure that costs to the *Parties* and NWT Snowboard are reasonable.
61. In fulfilling its duties, the *Dispute Resolution Officer* may obtain independent advice.

Decision

62. After hearing the matter, the *Dispute Resolution Officer(s)* will determine, on a balance of probabilities, whether an infraction has occurred and, if so, the sanctions to be imposed. If the *Dispute Resolution Officer* considers that no infraction has occurred, the complaint will be dismissed.
63. Within fourteen (14) *days* of the conclusion of the hearing, the *Dispute Resolution Officers'* written decision, with reasons, will be distributed to all *Parties* by the *Independent Third Party*, including to NWT Snowboard and the relevant *Members*. The decision will be by a majority vote of the *Dispute Resolution Officers* when the Panel consists of three (3) people.
64. In extraordinary circumstances, the *Dispute Resolution Officer(s)* may first issue a verbal or summary decision soon after the conclusion of the hearing, with the full written decision to be issued before the end of the fourteen (14) *day* period.
65. The *Dispute Resolution Officer's* decision will come into effect as of the date that it is rendered, unless decided otherwise by the *Dispute Resolution Officer*. The *Dispute Resolution Officer's* decision will apply automatically to NWT Snowboard, its *Members* and associated organizations, according to the terms of the *Reciprocation Policy*.
66. Unless the matter involves a *Vulnerable Participant*, once the appeal deadline in the *Appeal Policy* has expired, NWT Snowboard shall publish on their website a summary of the decision, which shall include the outcome of the case, the provision(s) of the relevant policies that have been violated, the name(s) of the *Organizational Participant(s)* involved as *Respondents* and the sanction(s) imposed, if any, or as otherwise specified by the Publication Guidelines. If the matter is appealed, the publication provisions in the *Appeal Policy* shall apply. Identifying information regarding *Minors* or *Vulnerable Participants* will never be published.
67. If the *Dispute Resolution Officer* dismisses the complaint, the information referred to in the previous section may only be published with the *Respondent's* consent. If the *Respondent* does not provide such consent, the information referred to in the previous section will be kept confidential by the *Parties*, the *Independent Third Party*, NWT Snowboard and the *Member* and shall be retained and discarded in accordance with the relevant and applicable privacy legislation. Failure to respect this provision may result in disciplinary action being taken against the *Party* who breaches confidentiality pursuant to this policy.
68. Other individuals or organizations, including, but not limited to, *Members*, territorial sport organizations and sport clubs, may be advised of the outcome of any decisions rendered in accordance with this policy.

69. Records of all decisions will be maintained by NWT Snowboard in accordance with its *Privacy Policy*.
70. When the *Dispute Resolution Officer* imposes a sanction, the decision shall include, at a minimum, the following information:
- a) Jurisdiction;
 - b) Summary of the facts and relevant evidence;
 - c) Where applicable, the specific provision(s) of NWT Snowboard's policies, by-laws, rules or regulations that have been breached;
 - d) Which *Party* or organization is responsible for the costs of implementing any sanction;
 - e) Which organization is responsible for monitoring that the sanctioned individual respects the terms of the sanction;
 - f) Any reinstatement conditions that the *Respondent* must satisfy (if any);
 - g) Which organization is responsible for ensuring that the conditions have been satisfied; and
 - h) Any other guidance that will assist the *Parties* to implement the *Dispute Resolution Officer's* decision.
71. If necessary, a *Party* – or the organization that is responsible for implementing or monitoring a sanction – may seek clarifications from the *Dispute Resolution Officer* regarding the order so that it can be implemented or monitored appropriately.

Sanctions

72. When determining the appropriate sanction, the *Internal Discipline Chair* or *Dispute Resolution Officer*, as applicable, will consider the following factors (where applicable):
- a) The nature and duration of the *Respondent's* relationship with the *Complainant*, including whether there is a *Power Imbalance*;
 - b) The *Respondent's* prior history and any pattern of misconduct, *Prohibited Behaviour* or *Maltreatment*;
 - c) The respective ages of the individuals involved;
 - d) Whether the *Respondent* poses an ongoing and/or potential threat to the safety of others;

- e) The *Respondent's* voluntary admission of the offence(s), acceptance of responsibility for the misconduct, *Prohibited Behaviour* or *Maltreatment*, and/or cooperation in the investigative and/or disciplinary process of NWT Snowboard;
 - f) Real or perceived impact of the incident on the *Complainant*, NWT Snowboard or the sporting community;
 - g) Circumstances specific to the *Respondent* being sanctioned (e.g., lack of appropriate knowledge or training regarding the requirements in the *Code*; addiction; disability; illness);
 - h) Whether, given the facts and circumstances that have been established, continued participation in the sport community is appropriate;
 - i) A *Respondent* who is a *Person of Authority*, in a position of trust, intimate contact or high-impact decision-making may face more serious sanctions; and/or
 - j) Other mitigating or aggravating circumstances.
73. Any sanction imposed must be proportionate and reasonable. However, progressive discipline is not required, and a single incident of *Prohibited Behaviour*, *Maltreatment* or other misconduct may justify elevated or combined sanctions.
74. The *Internal Discipline Chair*⁷ or *Dispute Resolution Officer*, as applicable, may apply the following disciplinary sanctions, singularly or in combination:
- a) **Verbal or Written Warning** – a verbal reprimand or an official written notice that an *Organizational Participant* has violated the *Code* and that more severe sanctions will result should the *Organizational Participant* be involved in other violations.
 - b) **Education** – the requirement that an *Organizational Participant* undertake specified educational or similar remedial measures to address the violation(s) of the *Code* or the *UCCMS*.
 - c) **Probation** – a specified amount of time within which certain terms and conditions must be met by the *Organizational Participant*, such as remaining in compliance with the *Code* and *UCCMS*. Should any further violations of the *Code* or the *UCCMS* occur during the probationary period, this may result in additional disciplinary measures, including, without limitation, a period of suspension or permanent ineligibility. This sanction can also include loss of privileges or other conditions, restrictions, or requirements for a specified period.

⁷ *Internal Discipline Chairs* are limited to imposing sanctions of suspension or ineligibility for a period of six (6) months or less.

- d) **Suspension** – either for a set time or until further notice, from participation, in any capacity, in any program, activity, *Event*, or competition sponsored by, organized by, or under the auspices of NWT Snowboard. A suspended *Organizational Participant* may be eligible to return to participation, but reinstatement may be subject to certain restrictions or contingent upon the *Organizational Participant* satisfying specific conditions noted at the time of suspension.
 - e) **Eligibility Restrictions** – restrictions or prohibitions from some types of participation but allowing participation in other capacities under strict conditions.
 - f) **Permanent Ineligibility** – ineligibility to participate in any capacity in any program, activity, *Event*, or competition sponsored by, organized by, or under the auspices of NWT Snowboard.
 - g) **Other Discretionary Sanctions** – other sanctions may be imposed, including, but not limited to, other loss of privileges, no contact directives, a fine or a monetary payment to compensate for direct losses, or other restrictions or conditions as deemed necessary or appropriate.
75. The *Dispute Resolution Officer* may apply the following presumptive sanctions which are presumed to be fair and appropriate for the listed *Maltreatment*:
- a) *Sexual Maltreatment* involving a *Minor Complainant*, or a *Complainant* who was a *Minor* at the time of the incidents complained of, shall carry a presumptive sanction of permanent ineligibility.
 - b) *Sexual Maltreatment*, *Physical Maltreatment* with contact, and *Maltreatment* related to interference or manipulation of process shall carry a presumptive sanction of either a period of suspension or eligibility restrictions.
 - c) While a *Respondent* has pending charges or allegations of a crime against a person, if justified by the seriousness of the offence, the presumptive sanction shall be a period of suspension until a final determination is made by the applicable process.
76. An *Organizational Participant* who is convicted of certain *Criminal Code* offences involving harmful conduct shall be subject to a presumptive sanction of permanent ineligibility from participating with NWT Snowboard. Such *Criminal Code* offences may include, but are not limited to:
- a) any child pornography offences;
 - b) any sexual offences; or
 - c) any offence of physical violence.

77. When imposing sanctions under this Policy, the Dispute Resolution Officer may take into account any previously established infractions committed by the Respondent(s) of the disciplinary policies of Canada Snowboard, NWT Snowboard, or any other sport organization that had authority over the Respondent.
78. Failure to comply with a sanction as determined by the *Dispute Resolution Officer* will result in an automatic suspension until such time as compliance occurs.

CSSP Sanction

79. NWT Snowboard will ensure that any sanctions or measures imposed by the *SIC* will be recognized and enforced within NWT Snowboard's jurisdiction once NWT Snowboard receives appropriate notice of any sanction or measure from the *SIC*, or if the sanction or measure is published on the Public Registry.

Appeals

80. The decision of *Dispute Resolution Officer* may be appealed in accordance with the *Appeal Policy*, except where excluded by this policy.

Confidentiality

81. The disciplinary process is confidential and involves only NWT Snowboard, the *Parties*, the *Independent Third Party*, the *Internal Discipline Chair*, the *Dispute Resolution Officer* (as appropriate), and any independent advisors to the *Dispute Resolution Officer*.
82. None of the *Parties* (or their *Representatives* or witnesses) or organizations referred to in the previous section will disclose confidential information relating to the discipline or complaint to any person not involved in the proceedings, unless NWT Snowboard is required to notify an organization such as an international federation, Sport Canada, national sport organization or other sport organization (e.g., where a *Provisional Measure* has been imposed and communication is required to ensure that they may be enforced), or notification is otherwise required by law.
83. Any failure to respect the confidentiality requirement may result in further sanctions or discipline by the *Internal Discipline Chair* or *Dispute Resolution Officer* (as applicable).

Timelines

84. If the circumstances of the complaint are such that adhering to the timelines outlined by this policy will not allow a timely resolution to the complaint, the *Independent Third Party* may direct that these timelines be revised. Such decisions may not be appealed.

Statistical Reporting

85. NWT Snowboard may publish a general statistical report of the activity that has been conducted pursuant to this *Sport Integrity and Complaints Policy*. This report shall not contain any information that is confidential under this policy, or that has been ordered to be kept confidential by a discipline or appeal panel, but may include the number of complaints reported to the *Independent Third Party* (for NWT Snowboard), information regarding the type and number of cases that were received under *Sport Integrity and Complaints Policy*, resolved through alternate dispute resolution, and the number of appeals filed pursuant to the *Appeal Policy* and whether the appeals were upheld, partially upheld or dismissed.

Privacy

86. The collection, use and disclosure of any *Personal Information* pursuant to this policy is subject to NWT Snowboard's *Privacy Policy*.
87. NWT Snowboard, or any of their delegates pursuant to this policy (i.e., *Independent Third Party, Internal Discipline Chair, Dispute Resolution Officer*), shall comply with NWT Snowboard's *Privacy Policy* in the performance of their services under this policy.
88. The *Independent Third Party* will maintain all information securely in accordance with industry standard data retention and privacy policy.

Appendix A – Investigation Procedure

Determination

1. When a complaint is submitted pursuant to the policy and is accepted by the *Independent Third Party*, the *Independent Third Party* will determine if the incident(s) should be investigated.

Investigation

2. If the *Independent Third Party* considers that an investigation is necessary, they will appoint an investigator. The investigator must be independent of the *Independent Third Party* and NWT Snowboard, with experience in investigating. The investigator must not be in a conflict-of-interest situation and should also have no connection to either *Party*.
3. Federal and/or Territorial legislation related to *Workplace Harassment* may apply to the investigation if *Harassment* was directed toward an employee in a *Workplace*. The investigator should review *Workplace* safety legislation, the NWT Snowboard's policies for human resources, and/or consult independent experts to determine whether legislation applies to the complaint.
4. The investigation may take any form as decided by the investigator, guided by any applicable territorial legislation. The investigation may include:
 - a) interviews with the *Complainant*;
 - b) witness interviews;
 - c) statement of facts (*Complainant's* perspective) prepared by the investigator, acknowledged by the *Complainant* and provided to the *Respondent*;
 - d) interviews with the *Respondent*; and
 - e) statement of facts (*Respondent's* perspective) prepared by investigator, acknowledged by the *Respondent*, and provided to the *Complainant*.
5. The investigation shall be conducted using trauma-informed best practices to ensure a fair, respectful and minimally harmful process.

Investigator's Report

6. Upon completion of their investigation, the investigator shall prepare a written report that shall include a summary of evidence from the *Parties* and any witnesses interviewed. The report shall also include a non-binding recommendation from the investigator regarding whether an allegation or, where there are several allegations, which allegations, should be heard by a *Dispute Resolution Officer* pursuant to the *Sport Integrity and Complaints Policy*

because they constitute a likely breach of the *Code*, the *UCCMS* or any other relevant and applicable NWT Snowboard or *Member* policy. The investigator may also make non-binding recommendations regarding the appropriate next steps (i.e., mediation, disciplinary procedures, further review, or investigation).

7. The Investigator's Report will be provided to the *Independent Third Party* who will disclose, at their discretion, all or part of the Investigator's Report to NWT Snowboard and the relevant *Members* (if applicable). The *Independent Third Party* may also disclose the Investigator's Report to the *Parties*, subject to necessary redactions to protect witness confidentiality, privacy or sensitive information, at their discretion. Alternatively, and only if necessary, other relevant *Organizational Participants* may be provided with an executive summary of the investigator's findings by the *Independent Third Party*.
8. Should the investigator find that there are possible *Criminal Code* offences, the investigator shall assess whether reporting to law enforcement or NWT Snowboard and its *Members* (as applicable) is necessary. Where reporting to law enforcement or to NWT Snowboard and its *Members* (as applicable) is not legally required, the safety, well-being, and informed consent of affected individuals shall be considered before making a report. Affected individuals shall be informed before any report is made and provided with appropriate support resources.
9. NWT Snowboard may decide whether to report such findings to police but is required to inform police if there are findings related to the trafficking of prohibited substances or methods, any crime involving acts against a *Minor*, fraud against NWT Snowboard, or other offences where the lack of reporting would bring NWT Snowboard into disrepute. The safety risks and well-being of survivors of abuse or trauma should be considered before police involvement where feasible, and limit internal disclosure.

Reprisal and Retaliation

10. An individual who submits a complaint to the *Independent Third Party* or who gives evidence in an investigation may not be subject to reprisal or retaliation from any individual or group.
11. Any such conduct may constitute *Prohibited Behaviour* and be subject to disciplinary proceedings pursuant to the *Sport Integrity and Complaints Policy* or as applicable, the policies and procedures of the *CSSP*.

False Allegations

12. An *Organizational Participant* who submits allegations that the investigator determines to be malicious, false, or for the purpose of retribution, retaliation or vengeance may be subject to a complaint under the terms of the *Sport Integrity and Complaints Policy* and the investigator may recommend to NWT Snowboard that the Registrant be required to pay for the costs of any investigation that comes to this conclusion. Any *Organizational*

Participant who is liable to pay for such costs shall be automatically deemed to be not in good standing until the costs are paid in full and shall be prohibited from participating in any NWT Snowboard *Events*, activities, or business. NWT Snowboard, or the *Organizational Participant* against whom the allegations were submitted, may act as the *Complainant* with respect to making a complaint pursuant to this section.

Confidentiality

13. The investigator will make reasonable efforts to preserve the anonymity of the *Complainant*, witness or participant where appropriate and necessary. However, NWT Snowboard and its *Members* recognize that maintaining full anonymity during an investigation may not be feasible. The investigator must inform any witness or participant in the investigation of this limitation.

Privacy

14. The collection, use and disclosure of any *Personal Information* pursuant to this policy by NWT Snowboard is subject to NWT Snowboard's *Privacy Policy*.
15. NWT Snowboard, or any of their delegates pursuant to this policy (i.e., *Independent Third Party, Internal Discipline Chair, Dispute Resolution Officer*), shall comply with NWT Snowboard's *Privacy Policy* and *Confidentiality Policy* in the performance of their services under this policy.

Appendix B – Publication Guidelines

1. Subject to NWT Snowboard's *Sport Integrity and Complaints Policy*, sanctions issued by a *Dispute Resolution Officer* and/or *Internal Discipline Chair* will be considered a matter of public record, subject to the restrictions set out below.
2. Publication of any sanction will not take place until the disciplinary process undertaken by NWT Snowboard is complete, and/or after the expiry of an appeal period, as the case may be, except as set out below.
3. Publication means the communication of information by making it known or accessible to the public through any means, including print, telecommunication or electronic means.
4. Notification means providing a written copy of any decision to an organization as required by the *Reciprocation Policy*. *Parties* who receive a copy of a decision under the *Sport Integrity and Complaints Policy* may not publicly disclose this information, except as reasonably necessary to implement the terms of the decision and any sanction.
5. After receiving a copy of a decision, NWT Snowboard will, unless otherwise directed by the *Dispute Resolution Officer*, publish a summary of the decision. This summary will include the name of the *Respondent(s)*, the nature of the breach or breaches, the policies, by-laws, rules, or regulations that have been breached, the outcome and any sanction imposed, as well as the date of the decision.
6. Summaries will be posted in accordance with the following:
 - a) Where a sanction is imposed for a set period where an *Organizational Participant* is restricted in their involvement with the sanctioned activities of NWT Snowboard, such as a suspension or a probationary period, the sanction will be posted for the duration of the sanction. It will be removed once the identified time has passed plus two (2) years.
 - b) If a sanction or discipline involves a period of ineligibility, the sanction will be posted for the period of ineligibility plus two (2) years, except in the case of a sanction of permanent ineligibility. A sanction of permanent ineligibility will be posted indefinitely.
 - c) If a sanction is conditional on the completion of training, education or other conditions, the sanction will be posted until the *Organizational Participant* has completed the required conditions to the satisfaction of NWT Snowboard, plus two (2) years.
 - d) Publication shall take place following the completion of the process under the *Sport Integrity and Complaints Policy*.

- e) In exceptional circumstances, publication of a sanction or *Provisional Measure* will take place to protect the public and/or if the integrity of NWT Snowboard will be affected by not publishing the sanction.
 - f) Publication bans are standard while a complaint is in progress with NWT Snowboard. All information, except for information already publicly available through authorized means, is subject to a publication ban and must be kept confidential until the process is completed to protect the integrity of the process.
 - g) The publishing of *Provisional Measures* will only take place in exceptional circumstances described above in subsection (e).
7. Prior to publishing the summary, NWT Snowboard will, at their discretion, remove any confidential or sensitive material from the summary, including any identifying information about *Organizational Participants* or other individuals named, unless these *Organizational Participants* are subject to a sanction and/or discipline in the decision.
 8. Identifying or *Personal Information* regarding *Minors* or *Vulnerable Organizational Participants* will never be published by NWT Snowboard.
 9. Matters that are resolved prior to a decision will be subject to publication in accordance with the requirements of Section 6.
 10. Decisions involving *Provisional Measures* and sanctions imposed through the *SIC* or the *CSSP* processes will be published according to the guidelines established by the *CSSP* Rules.
 11. Nothing in the above prohibits NWT Snowboard from notifying relevant sport organizations of any decision imposing a sanction and/or discipline on an *Organizational Participant*, including *Minor* or *Vulnerable Organizational Participant*, as required by the *Reciprocation Policy*.
 12. If a *Minor* or *Vulnerable Organizational Participant* is sanctioned and under a decision, any organization who receives notification of this decision must keep the decision confidential, except as reasonably necessary to implement the terms of the decision.
 13. Records of all decisions will be maintained by NWT Snowboard in accordance with the *Privacy Policy*.

 - h) all evidence that supports these grounds;

- i) requested remedy or remedies; and
 - j) an administration fee of five hundred dollars (\$500), which will be refunded if the appeal is upheld.
6. A *Party* to a *Sport Integrity Complaints Policy* process or *Organizational Participant* who wishes to initiate an appeal beyond the seven (7) *day* period must provide a written request stating the reasons for an exemption. The decision to allow or not allow an appeal outside of the seven (7) *day* period will be at the sole discretion of the *Appeal Manager* and may not be appealed.

Grounds for Appeal

7. A decision cannot be appealed on its merits alone. An appeal may only be heard if there are sufficient grounds for appeal. Sufficient grounds include if NWT Snowboard or a designate:
- a) made a decision that it did not have the authority or jurisdiction (as set out in the applicable governing documents) to make;
 - b) failed to follow its own procedures (as set out in the applicable governing documents);
 - c) made a decision that was influenced by bias (where bias is defined as a lack of neutrality to such an extent that the decision-maker appears not to have considered other views); or
 - d) made a decision that was unreasonable.

Screening of Appeal

8. NWT Snowboard will appoint an independent *Appeal Manager* (who must not be in a conflict of interest, have had any prior involvement in the matter under appeal or have any direct relationship with the *Parties*) who has the following responsibilities:
- a) to determine if the appeal falls under the scope of this policy;
 - b) to determine if the appeal was submitted in a timely manner; and
 - c) to decide whether there are sufficient grounds for the appeal.
9. If the *Appeal Manager* denies the appeal because of insufficient grounds because it was not submitted in a timely manner, or because it did not fall under the scope of this policy, the *Appellant* will be notified, in writing, of the reasons for this decision. This decision may not be appealed.

10. If the *Appeal Manager* is satisfied there are sufficient grounds for an appeal, the *Appeal Manager* will appoint an Appeal Panel which shall consist of a single individual, to hear the appeal.
11. In extraordinary circumstances, and at the discretion of the *Appeal Manager*, an Appeal Panel composed of three (3) persons may be appointed to hear the appeal. In this event, the *Appeal Manager* will appoint one of the Appeal Panel's members to serve as the Chair.

Determination of Affected Parties

12. To confirm the identification of any *Affected Parties*, the *Appeal Manager* will engage NWT Snowboard. The *Appeal Manager* may determine whether a *Party* is an *Affected Party* in their sole discretion.

Procedure for Appeal Hearing

13. The *Appeal Manager* shall notify the *Parties* that the appeal will be heard. The *Appeal Manager* shall then decide the format under which the appeal will be heard. This decision is at the sole discretion of the *Appeal Manager* and may not be appealed.
14. If a *Party* chooses not to participate in the hearing, the hearing will proceed without further notice or opportunity to participate or provide submissions for the *Party* refusing to participate.
15. The format of the hearing may involve an in-person hearing, an oral hearing by telephone or other electronic means, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods. The hearing will be governed by the procedures that the *Appeal Manager* and the Appeal Panel deem appropriate in the circumstances. The following guidelines will apply to the hearing:
 - a) The hearing will be held within a timeline determined by the *Appeal Manager*;
 - b) The *Parties* will be given reasonable notice of the day, time, and place of an oral, in-person hearing or oral hearing by telephone or electronic communications;
 - c) Copies of any written documents which any of the *Parties* wish to have the Appeal Panel consider will be provided to all *Parties* in advance of the hearing;
 - d) The *Parties* may be accompanied by a representative, advisor, or legal counsel at their own expense;
 - e) The Appeal Panel may request that any other individual participate and give evidence at an in-person hearing or oral hearing by telephone or electronic communications;

- f) The Appeal Panel may allow as evidence at the hearing any oral evidence and document or thing relevant to the subject matter of the appeal but may exclude such evidence that is unduly repetitious and shall place such weight on the evidence as it deems appropriate;
 - g) If a decision in the appeal may affect another *Party* to the extent that the other *Party* would have recourse to an appeal in their own right under this policy, that *Party* will become an *Affected Party* to the appeal in question and will be bound by its outcome; and
 - h) The decision to uphold or reject the appeal will be by a majority vote of Appeal Panel members.
16. In fulfilling its duties, the Appeal Panel may obtain independent advice.

Appeal Decision

17. The *Appellant* must demonstrate, on a balance of probabilities, that the *Respondent* has made a procedural error as described in the **Grounds for Appeal** section of this policy and that this error had a material effect on the decision or decision-maker.
18. The Appeal Panel shall issue its decision, in writing and with reasons, within seven (7) *days* after the hearing's conclusion. In making its decision, the Appeal Panel will have no greater authority than that of the original decision-maker. The Appeal Panel may decide to:
- a) reject the appeal and confirm the decision being appealed;
 - b) uphold the appeal and refer the matter back to the initial decision-maker for a new decision; or
 - c) uphold the appeal and vary the decision.
19. The Appeal Panel will also determine whether costs of the appeal will be assessed against any *Party*. In assessing costs, the Appeal Panel will consider the outcome of the appeal, the conduct of the *Parties*, and the *Parties'* respective financial resources.
20. The Appeal Panel's written decision, with reasons, will be distributed to all *Parties*, the *Appeal Manager*, and NWT Snowboard. In extraordinary circumstances, the Appeal Panel may first issue a verbal or summary decision soon after the hearing's conclusion, with the full written decision to be issued thereafter. The decision will be considered a matter of public record and published according to the **Publication Guidelines** (see **Appendix B** of the *Sports Integrity and Complaints Policy*) unless decided otherwise by the Appeal Panel.

Timelines

21. If the circumstances of the appeal are such that adhering to the timelines outlined by this policy will not allow a timely resolution to the appeal, the *Appeal Manager* and/or Appeal Panel may direct that these timelines be revised.

Confidentiality

22. The appeals process is confidential and involves only the *Parties*, NWT Snowboard the *Appeal Manager*, the Appeal Panel, and any independent advisors to the Appeal Panel. Once initiated and until a decision is released, none of the *Parties* (or their *Representatives* or witnesses) will disclose confidential information relating to the appeal to any person not involved in the proceedings, unless NWT Snowboard is required to notify an organization such as an international federation, Sport Canada or other sport organization (e.g., where *Provisional Measures* have been imposed and communication is required to ensure that they may be enforced), or notification is otherwise required by law.
23. Any failure to respect the confidentiality requirement may result in further sanctions or discipline by the Appeal Panel.

Final and Binding

24. The decision of the Appeal Panel shall be binding on the *Parties*.
25. No action or legal proceeding will be commenced against NWT Snowboard or *Organizational Participants* in respect of a dispute, unless NWT Snowboard has refused or failed to provide or abide by the dispute resolution process and/or appeal process as set out in governing documents.

Privacy

26. The collection use and disclosure of any personal information pursuant to this Policy is subject to NWT Snowboard's usual policies and practices regarding private and/or confidential information.
27. NWT Snowboard, or any of their delegates pursuant to this Policy, shall comply with NWT Snowboard's Privacy Policy in the performance of their services under this Policy.

Social Media Policy

Preamble

1. NWT Snowboard is aware that *Organizational Participant* interaction and communication occurs frequently on *Social Media*. NWT Snowboard cautions *Organizational Participants* that any conduct falling short of the standard of behaviour required by this *Social Media Policy* and the *Code* may be subject to the disciplinary sanctions identified within the *Sport Integrity and Complaints Policy*.
2. NWT Snowboard recognizes that communication between *Organizational Participants* should be guided by principles that ensure the safety of the *Organizational Participants* and that maintain and strengthen effective relationships.
3. NWT Snowboard further recognizes that *Minor Athletes*, who are *Vulnerable Organizational Participants*, may prefer to communicate through electronic interaction. NWT Snowboard strives to ensure that *Athletes* are protected during electronic interactions with *Persons in Authority* and that they are not placed in a vulnerable situation.

Application of this Policy

4. This policy applies to all *Organizational Participants*.

Conduct and Behaviour

5. All conduct and behaviour occurring on *Social Media* must comply with the *Code*.
6. *Organizational Participants* may not engage in the following behaviour on *Social Media*:
 - a) Posting a disrespectful, hateful, harmful, disparaging, or insulting comment on a social medium;
 - b) Posting a picture, altered picture, or video on a social medium that is harmful, disrespectful, insulting, embarrassing, suggestive, provocative, or otherwise offensive;
 - c) Creating or contributing to a Facebook group, webpage, Instagram account, X/Twitter feed, blog, or online forum devoted solely or in part to promoting negative or disparaging remarks or commentary about NWT Snowboard;
 - d) Inappropriate personal or sexual relationships over a social medium between Individuals who have a Power Imbalance in their interactions, such as between Athletes and coaches, Directors and Officers, Committee members and staff, officials and Athletes, etc.; or

- e) Any instance of *cyber-Bullying* or *cyber-Harassment* where incidents of *cyber-Bullying* and *cyber-Harassment* can include but are not limited to the following conduct on any social medium, via text message, or via email: regular insults, negative comments, vexatious behaviour, pranks or jokes, threats, posing as another person, spreading rumours or lies, or other harmful behaviour.

Organizational Participants' Responsibilities

- 7. *Organizational Participants* should be aware that their *Social Media* activity may be viewed by anyone, including NWT Snowboard.
- 8. If NWT Snowboard unofficially engages with an *Organizational Participant* on *Social Media* (such as by retweeting a tweet or sharing a photo/post on Facebook) the *Organizational Participant* may, at any time, ask NWT Snowboard to cease this engagement.
- 9. When using *Social Media*, an *Organizational Participant* must model appropriate behaviour befitting the *Organizational Participant's* role and status in connection with NWT Snowboard.
- 10. Removing content from *Social Media* after it has been posted (either publicly or privately) does not excuse the *Organizational Participant* from being subject to the *Sport Integrity and Complaints Policy*.
- 11. An individual who believes that an *Organizational Participant's* electronic communication media and/or *Social Media* activity is inappropriate or may violate policies and procedures should report the matter to NWT Snowboard in the manner outlined by the *Sport Integrity and Complaints Policy*.

NWT Snowboard's Responsibilities

- 12. NWT Snowboard has a responsibility to understand if and how *Persons in Authority* and *Athletes* are using *Social Media* to communicate with each other. *Persons in Authority* and *Athletes* may need to be reminded that behaviour in *Social Media* is still subject to the *Code* and *Social Media Policy*.
- 13. Complaints and concerns about the behaviour of a *Person in Authority* or *Athlete* in *Social Media* can be addressed under the *Sport Integrity and Complaints Policy*.

Guidelines

- 14. The Guidelines in this section provide *Persons in Authority* and *Athletes* with tips and suggestions for *Social Media* use. *Persons in Authority* and *Athletes* are strongly encouraged to develop their own strategy for *Social Media* use (either written down or not) and ensure that their strategy for *Social Media* use is acceptable pursuant to the *Code*.

15. Given the nature of *Social Media* as a continually developing communication sphere, *Persons in Authority* and *Athletes* must use their best judgment when interacting with *Social Media*. These Guidelines are not hard and fast rules or behavioural laws; but rather recommendations that will inform individuals' best judgment.
16. Any behaviour on *Social Media* which violates the *Code* may be subject to discipline.

Guidelines for Persons in Authority

17. *Persons in Authority* should consider the following guidelines to inform their own strategy for *Social Media* use:
 - a) With *Minor Athletes*, ensure that parents/guardians are aware if some interactions may take place on *Social Media* and the context for those interactions, and give parents/guardians the option to prohibit or restrict communication in this space;
 - b) Attempt to make communication with *Athletes* on *Social Media* as one-sided as possible. Be available for *Athletes* if they initiate contact – *Athletes* may wish to have this easy and quick access to you – but *Persons in Authority* should never impose themselves onto an *Athlete's* personal *Social Media* space;
 - c) Ensure all *Social Media* communication is professional, unambiguous, and on-topic. Avoid emojis and unspecific language that can be interpreted in multiple ways;
 - d) Choosing not to engage with *Social Media* is an acceptable strategy. Be prepared to inform *Athletes* (and/or parents/guardians) if you will not engage in this space and explain which media you will use to communicate with them;
 - e) *Athletes* will search for your *Social Media* accounts. Be prepared for how you will respond when an *Athlete* attempts to interact with you on *Social Media*;
 - f) Annually review and update the privacy settings on all your *Social Media* accounts;
 - g) Consider monitoring or being generally aware of *Athletes'* public *Social Media* behaviour to ensure compliance with the *Code* and this policy;
 - h) Never demand access to an *Athlete's* private posts on X/Twitter, Instagram, or Facebook;
 - i) Do not send friend requests to *Athletes*. Never pressure *Athletes* to send you a friend request or follow your *Social Media* accounts;
 - j) If you accept a friend request from one *Athlete*, you should accept these requests from all *Athletes*. Be careful not to show favouritism on *Social Media*;

- k) Consider managing your *Social Media* so that *Athletes* do not have the option to follow you on X/Twitter or send you a friend request on Facebook;
- l) Do not identify *Minor Athletes* on publicly available *Social Media*;
- m) Seek permission from adult *Athletes* before identifying them on publicly available *Social Media*;
- n) Avoid adding *Athletes* to Snapchat and do not send snapchats to *Athletes*;
- o) Do not post pictures or videos of *Minor Athletes* on your private *Social Media* accounts;
- p) Be aware that you may acquire information about an *Athlete* that imposes an obligation of disclosure on your part (such as seeing pictures of *Minor Athletes* drinking during a trip);
- q) If selection decisions and other official team business are announced on *Social Media*, ensure they are also posted on a less-social medium like a website or distributed via email;
- r) Never require *Athletes* to join Facebook, join a Facebook group, subscribe to a X/Twitter or Bluesky feed, or join a Facebook page about your team or organization;
- s) If you create a page on Facebook or Instagram for your team or *Athlete*, do not make this *Social Media* site the exclusive location for important information. Duplicate important information in less-social channels (like on a website or via email);
- t) Exercise appropriate discretion when using *Social Media* for your own personal communications (with friends, colleagues, and other *Persons in Authority*) with the knowledge that your behaviour may be used as a model by *Athletes*;
- u) Avoid association with Facebook groups, Instagram accounts, or X/Twitter feeds with explicit sexual conduct or viewpoints that might offend or compromise your relationship with an *Athlete*; and
- v) Never misrepresent yourself by using a fake name or fake profile.

Social Media Guidelines for Athletes

18. The following tips should be used by *Athletes* to inform their own strategy for *Social Media* use:
- a) Set your privacy settings to restrict who can search for you and what private information other people can see;

- b) Coaches, teammates, officials, or opposing competitors may all add you to Facebook or follow you on Instagram or X/Twitter. You are not required to follow anyone or be Facebook friends with anyone;
- c) Avoid adding *Persons in Authority* to Snapchat and do not send snapchats to *Persons in Authority*;
- d) If you feel *Harassed* by someone in a social medium, report it to your coach or another *Person in Authority* with your organization;
- e) You do not have to join a fan page on Facebook or follow a X/Twitter feed or Instagram account;
- f) Content posted on a social medium, relative to your privacy settings, is considered public. In most cases, you do not have a reasonable expectation of privacy for any material that you post;
- g) Content posted to a social medium is almost always permanent – consider that other individuals may take screencaps of your content (even snapchats) before you can delete them;
- h) Avoid posting pictures of, or alluding to, participation in illegal activity such as: speeding, physical assault, *Harassment*, drinking alcohol (if underage), and smoking cannabis (if underage);
- i) Model appropriate behaviour in *Social Media* befitting your status as a) an *Athlete*, and b) a *Member* and/or *Organizational Participant* of your organization and its governing organizations. As a *Member* and/or *Organizational Participant* of your organization, you have agreed to the *Code* and must follow that *Code* when you post material and interact with other people through electronic communication and *Social Media*; and
- j) Be aware that your public Facebook page, Instagram account, or X/Twitter feed may be monitored by your organization, coach, or by another organization and content or behaviour demonstrated in *Social Media* may be subject to sanction under the *Sport Integrity and Complaints Policy*.

Screening Policy

Preamble

1. NWT Snowboard understands that screening personnel and volunteers is a vital part of providing a safe sporting environment and has become a common practice among sport organizations that provide programs and services to the sport community.

Application of this Policy

2. This policy applies to all individuals whose position with NWT Snowboard is one of trust or authority which may relate to, at a minimum, finances, supervision, or *Vulnerable Organizational Participants*.
3. Not all individuals associated with NWT Snowboard will be required to obtain a *Criminal Record Check* or submit screening documents because not all positions pose a risk of harm to NWT Snowboard or *Organizational Participants*. NWT Snowboard will determine which individuals will be subject to screening using the following guidelines (NWT Snowboard may vary the guidelines at its discretion):

Level 1 – Low Risk – *Organizational Participants* involved in low-risk assignments who are not in a supervisory role, not directing others, not involved with finances, and/or do not have unsupervised access to *Vulnerable Organizational Participants*. Examples include parents, youth, or volunteers who are helping out on a non-regular or informal basis

Level 2 – Medium Risk – *Organizational Participants* involved in medium risk assignments who may be in a supervisory role, may direct others, may be involved with finances, and/or who may have limited access to *Vulnerable Organizational Participants*. Examples include:

- a) *Athlete Support Personnel*;
- b) non-coach employees or managers;
- c) directors;
- d) coaches who are typically under the supervision of another coach; and
- e) officials.

Level 3 – High Risk – *Organizational Participants* involved in high-risk assignments who occupy positions of trust and/or authority, have a supervisory role, direct others, are involved with finances, and who have frequent or unsupervised access to *Vulnerable Organizational Participants*. Examples include:

- a) *Athlete Support Personnel*;
- b) full-time coaches;
- c) *Athlete Support Personnel* who travel with *Athletes*; and
- d) *Athlete Support Personnel* who could be alone with *Athletes*.

Screening Committee

- 4. The implementation of this policy is the responsibility of the Screening Committee which is a committee composed of either one (1) or three (3) individuals. NWT Snowboard will ensure that the members appointed to the Screening Committee possess the requisite skills, knowledge, and abilities to accurately screen documents and render decisions under this policy.
- 5. The Screening Committee is responsible for reviewing all documents submitted and based on the review, making decisions regarding the appropriateness of individuals filling positions within NWT Snowboard. In carrying out its duties, the Screening Committee may consult with independent experts, including lawyers, police, risk management consultants, volunteer screening specialists, or any other person.
- 6. Nothing in this policy restricts or limits the Screening Committee from requesting that the individual attend an interview with the Screening Committee if the Screening Committee considers that an interview is appropriate and necessary to screen the individual's application.
- 7. Nothing in this policy restricts or limits the Screening Committee from requesting the individual's authorization to contact any professional, sporting, or other organization to assess the individual's suitability for the position that they are seeking. The Screening Committee may also request further information from the individual on more than one occasion, subject to the individual's right to insist that the Screening Committee decide based on the information before it.
- 8. The Screening Committee may, where appropriate, draw an adverse inference from an individual's failure to provide information or answer queries.
- 9. When assessing an individual's screening application, the Screening Committee shall determine whether there is reason to believe that the individual may pose a risk to NWT Snowboard or to another individual.
- 10. An individual having been previously penalized for a prior offence shall not prevent the Screening Committee from considering that offence as part of the individual's screening application.

11. If the Screening Committee determines based on the individual's screening application, in addition to any further material received by it, that the individual does not pose a risk to the *Members* of NWT Snowboard, the Screening Committee shall approve the individual's application, subject to the Screening Committee's right to impose conditions.
12. In the case of a decision denying an application or approving an application with conditions, a copy of the decision shall be provided to the applicant and to the Board of Directors of NWT Snowboard, which may disseminate the decision as they see fit to best fulfil the mandate of NWT Snowboard.
13. An *Organizational Participant* whose screening application has been denied or revoked may not re-apply to participate in the programs or activities of NWT Snowboard for two (2) years from the date the rejected application was made.

Screening Requirements

14. A Screening Requirements Matrix is provided as **Appendix A**.
15. It is the policy of NWT Snowboard that when an individual is first engaged by the organization:
 - a) Level 1 individuals will:
 - i. complete an Application Form (**Appendix B**);
 - ii. complete a Screening Disclosure Form (**Appendix C**); and
 - iii. participate in training, orientation, and monitoring as described in the Screening Requirements Matrix (**Appendix A**).
 - b) Level 2 individuals will:
 - i. complete an Application Form (**Appendix B**);
 - ii. complete a Screening Disclosure Form (**Appendix C**);
 - iii. complete and provide an *E-PIC*;
 - iv. provide one letter of reference related to the position;
 - v. participate in training, orientation, and monitoring as described in the Screening Requirements Matrix (**Appendix A**); and
 - vi. provide a driver's abstract, if requested.

- c) Level 3 individuals will:
 - i. complete an Application Form (**Appendix B**);
 - ii. complete a Screening Disclosure Form (**Appendix C**);
 - iii. complete and provide an *E-PIC* and a *VSC*;
 - iv. provide one letter of reference related to the position; and
 - v. participate in training, orientation, and monitoring as described in the Screening Requirements Matrix (**Appendix A**).
 - vi. Provide a driver's abstract, if requested.
- d) If an individual subsequently receives a charge, conviction for, or is found guilty of, an offence they will report this circumstance immediately to NWT Snowboard. Additionally, the individual will inform NWT Snowboard of any changes in their circumstance that would alter their original responses in their Screening Disclosure Form.
- e) If NWT Snowboard learns that an individual has provided false, inaccurate, or misleading information, the individual will immediately be removed from their position and may be subject to further discipline in accordance with the *Sport Integrity and Complaints Policy*.

Minors

- 16. For the purposes of this policy, NWT Snowboard defines a *Minor* as someone who is younger than 18 years of age. When screening *Minor*, NWT Snowboard will:
 - a) not require the *Minor* to obtain a *VSC* or *E-PIC*; and
 - b) in lieu of obtaining a *VSC* or *E-PIC*, require the *Minor* to submit up to two (2) additional letters of reference.
- 17. Notwithstanding the above, NWT Snowboard may ask a *Minor* to obtain a *VSC* or *E-PIC* if NWT Snowboard suspects the *Minor* has an adult conviction and therefore has a criminal record. In these circumstances, NWT Snowboard will be clear in its request that it is not asking for the *Minor's* youth record. NWT Snowboard understands that they may not request to see a *Minor's* youth record.

Renewal

18. Unless the Screening Committee determines, on a case-by-case basis, to modify the submission requirements, individuals who are required to submit an *E-PIC*, Screening Disclosure Form, or Screening Renewal Form, are required to submit the documents as follows:
 - a) an *E-PIC* every three (3) years;
 - b) a Screening Disclosure Form every three (3) years;
 - c) a Screening Renewal Form (**Appendix D**) every year; and
 - d) a *Vulnerable Sector Check* once.
19. At any time, including after either the submission of an individual's application or its approval (with or without conditions), the Screening Committee may re-open an individual's file for additional screening if it is advised of new information that, in the discretion of NWT Snowboard, could affect the assessment of the individual's suitability for participation in the programs or activities of NWT Snowboard, or the individual's interactions with other individuals involved with NWT Snowboard.

Orientation, Training, and Monitoring

20. The type and amount of orientation, training, and monitoring will be based on the individual's level of risk, at the discretion of NWT Snowboard.
21. Orientation may include, but is not limited to, introductory presentations, facility tours, equipment demonstrations, parent/*Athlete* meetings, meetings with colleagues and supervisors, orientation manuals, orientation sessions, and increased supervision during initial tasks or initial period of engagement.
22. Training may include, but is not limited to, certification courses, online learning, mentoring, workshop sessions, webinars, on-site demonstrations, and peer feedback.
23. At the conclusion of orientation and training, the individual may be required to acknowledge, in written form, that they have received and completed the orientation and training (**Appendix E**).
24. Monitoring may include, but is not limited to, written or oral reports, observations, tracking, electronic surveillance (e.g., facility security cameras), and site visits.

How to Obtain an E-PIC or VSC

25. An *E-PIC* may be obtained online via <http://www.backcheck.net/e-pic.htm>.

26. *Organizational Participants* may only obtain a VSC by visiting an RCMP office or police station, submitting two (2) pieces of government-issued identification (one of which must have a photo), and completing any required paperwork. Fees may also be required.
27. Fingerprinting may be required if there is a positive match with the individual's gender and birth date.
28. NWT Snowboard understands that it may be required to assist an individual with obtaining a VSC. A Request for VSC (**Appendix F**) may need to be submitted or other documentation may need to be completed that describes the nature of NWT Snowboard and the individual's role with *Vulnerable Organizational Participants*.

Procedure

29. Screening documents must be submitted to the Screening Committee.
30. An individual who refuses or fails to provide the necessary screening documents will be ineligible to volunteer or apply for the position sought. The individual will be informed that their application and/or position will not proceed until such time as the screening documents are submitted.
31. NWT Snowboard understands that there may be delays in receiving the results of an *E-PIC* or a VSC. At the discretion of NWT Snowboard, an individual may be permitted to participate in the role during the delay. This permission may be withdrawn at any time and for any reason.
32. NWT Snowboard recognizes that different information will be available depending on the type of screening document that the individual has submitted. For example, an *E-PIC* may show details of a specific offence, or not, and/or a VSC may be returned with specific information or simply a notification indicating 'cleared' or 'not cleared'. The Screening Committee will use its expertise and discretion when making decisions based on the screening documents that have been submitted.
33. Following the review of the screening documents, the Screening Committee will decide:
 - a) the individual has passed screening and may participate in the desired position;
 - b) the individual has passed screening and may participate in the desired position with conditions;
 - c) the individual has not passed screening and may not participate in the desired position; or
 - d) more information is required from the individual.

34. In making its decision, the Screening Committee will consider the type of offence, date of offence, and relevance of the offence to the position sought.
35. The Screening Committee may decide that an individual has not passed screening if the screening documentation reveals any of the following:
 - a) if imposed in the last three (3) years:
 - i. any offence involving the use of a motor vehicle, including but not limited to, impaired driving;
 - ii. any offence of assault, physical or psychological violence;
 - iii. any offence involving trafficking or possession of illegal drugs;
 - iv. any offence involving conduct against public morals; or
 - v. any offence involving theft or fraud.
 - b) if imposed at any time:
 - i. any offence involving a *Minor* or *Minors*;
 - ii. any offence involving the possession, distribution, or sale of any child-related pornography; or
 - iii. any sexual offence.

Conditions and Monitoring

36. Excluding the incidents above which, if revealed, would cause the individual to not pass screening, the Screening Committee may determine that incidents revealed on an individual's screening documents may allow the individual to pass the screening process and participate in a desired position with *conditions* imposed. The Screening Committee shall have the sole and unfettered discretion to apply and remove conditions, determine the length of time for the imposition of conditions, and determine how adherence to conditions may be monitored.

Records

37. All records will be maintained in a confidential manner and will not be disclosed to others except as required by law, for use in legal, quasi-legal, or disciplinary proceedings.
38. The records kept as part of the screening process include but are not limited to:
 - a) an individual's *Vulnerable Sector Check*;
 - b) an individual's *E-PIC* (for a period of three (3) years);
 - c) an individual's Screening Disclosure Form (for a period of three (3) years);
 - d) an individual's Screening Renewal Form (for a period of one (1) year);
 - e) records of any conditions attached to an individual's registration by the Screening Committee; and
 - f) records of any discipline applied to any individual by NWT Snowboard or by another sport organization.

Privacy

39. The collection, use and disclosure of any personal information pursuant to this Policy is subject to NWT Snowboard's usual policies and practices regarding private and/or confidential information.
40. NWT Snowboard, or any of their delegates pursuant to this Policy, shall comply with NWT Snowboard's Privacy Policy in the performance of their services under this Policy.

Whistleblower Policy

Purpose

1. NWT Snowboard is committed to fostering an environment conducive to open communication regarding the business practices of NWT Snowboard and to protecting *Workers* from unlawful retaliation and discrimination for their having properly disclosed or reported illegal or unethical conduct.
2. To further this commitment, this Policy:
 - a) establishes guidance for the receipt, retention and treatment of verbal or written reports received by NWT Snowboard from a *Worker* regarding actions that (i) are illegal, unethical or contrary to NWT Snowboard's policies in respect of accounting, internal controls, disclosure, or business practices or (ii) constitute discrimination, *Harassment*, violence or abuse against a *Worker* by a director or another *Worker*;

Application

3. This policy only applies to *Workers* who observe, or experience incidents of wrongdoing committed by directors or by other *Workers*.
4. Incidents of wrongdoing or misconduct observed or experienced by *Organizational Participants*, volunteers, spectators, parents of *Organizational Participants*, or other individuals not employed or contracted by NWT Snowboard can be reported under the terms of the *Sport Integrity and Complaints Policy* and/or reported to the Organization's Board of Directors or senior staff person to be handled under the terms of the individual *Worker's* Employment Agreement or Contractor Agreement, as applicable, and/or NWT Snowboard's policies for human resources.
5. Matters reported under the terms of this policy may be referred to be heard under the *Sport Integrity and Complaints Policy*, at the discretion of the Compliance Officer.
6. Any violation of this Policy that may be considered "*Prohibited Behaviour*" or "*Maltreatment*" (as defined in the *UCCMS*) when the *Respondent* is an *Organizational Participant* who has been designated by a *CSSP NWT Snowboard* as a *CSSP Participant*, will be handled pursuant to the policies and procedures of the *CSSP Rules*, subject to the

rights of NWT Snowboard as set out in the *Sport Integrity and Complaints Policy* and any applicable *Workplace* policies.

Wrongdoing

7. Wrongdoing can be defined as:
 - a) violating the law;
 - b) intentionally or seriously breaching of the *Code*;
 - c) committing or ignoring risks to the life, health, or safety of an *Organizational Participant*, volunteer, *Worker*, or other individual;
 - d) directing an individual or *Worker* to commit a crime, serious breach of a policy, or other wrongful act; or
 - e) fraud.

Pledge

8. NWT Snowboard pledges not to dismiss, penalize, discipline, or retaliate or discriminate against any *Worker* who discloses information or submits, in good faith, a report against another *Worker* or director under the terms of this policy.
9. Any individual affiliated with NWT Snowboard who breaks this **Pledge** will be subject to disciplinary action.

Reporting Wrongdoing

10. A *Worker* who believes that a director or another *Worker* has committed an act of wrongdoing should prepare a report that includes the following:
 - a) a written description of the act or actions that comprise the alleged wrongdoing, including the date and time of the action(s);
 - b) the identities and roles of other individuals or *Workers* (if any) who may be aware of, affected by, or complicit in, the wrongdoing;
 - c) why the act or action should be considered to be wrongdoing; and
 - d) how the wrongdoing affects the *Worker* submitting the report (if applicable).

Authority

11. The following Compliance Officer has been appointed to receive reports made under this policy:

Insert Contact Information

12. After receiving the report, the Compliance Officer has the responsibility to:
 - a) assure the *Worker* of the **Pledge**;
 - b) connect the *Worker* to the Alternate Liaison if the individual feels that they cannot act in an unbiased or discrete manner due to the individual's role with NWT Snowboard and/or the content of the report;
 - c) determine if the report is frivolous, vexatious, or not submitted in good faith (e.g., the submission of the report is motivated by personal interests and/or the content of the report is obviously false or malicious) and, if so, inform the *Worker* that no action will be taken on the report and the reasons why the report has been considered frivolous, vexatious, or not in good faith;
 - d) determine if the *Whistleblower Policy* applies or if the matter should be handled under the *Sport Integrity and Complaints Policy* or the *CSSP*;

Alternate Liaison

13. If the *Worker* feels that the Compliance Officer is unable to act in an unbiased or discrete manner due to the individual's role with NWT Snowboard and/or the content of the report, the *Worker* should contact the following individual who will act as an independent liaison between the *Worker* and the Compliance Officer:

Insert Contact Information

14. The Alternate Liaison will not disclose the *Worker's* identity to the Compliance Officer or to anyone affiliated with NWT Snowboard without the *Worker's* consent.

15. A *Worker* who is unsure if they should submit a report, or who does not want to have their identity known, may contact the Alternate Liaison for informal advice about the process.

Investigation

16. If the Compliance Officer determines that an investigation should be launched, the Compliance Officer may decide to contract an external investigator. In such cases, NWT Snowboard's president and/or senior staff person may be notified that an investigation conducted by an external investigator is necessary without the nature of the investigation, content of the report, or identity of the *Worker* who submitted the report being disclosed. NWT Snowboard's president and/or senior staff person may not unreasonably refuse the decision to contract an external investigator.
17. An investigation launched by the Compliance Officer, Alternate Liaison or by an external investigator should, generally, take the following form:
 - a) follow-up interview with the *Worker* who submitted the report;
 - b) identification of *Workers, Organizational Participants*, volunteers or other individuals that may have been affected by the wrongdoing;
 - c) interviews with such-affected individuals;
 - d) interview with the director(s) or *Worker(s)* against whom the report was submitted; and
 - e) interview with the supervisor(s) of the *Worker(s)* against whom the report was submitted, if applicable.
18. The investigator will prepare an Investigator's Report – omitting names whenever possible and striving to ensure confidentiality – that will be submitted to NWT Snowboard's president and/or senior staff person for review and action.

Decision

19. Within fourteen (14) *days* after receiving the Investigator's Report, NWT Snowboard's president and/or senior staff person will take corrective action, as required. Corrective action may include, but is not limited to including:
 - a) enacting and/or enforcing policies and procedures aimed at eliminating the wrongdoing or further opportunities for wrongdoing;
 - b) revision of job descriptions; or

- c) discipline, suspension, termination, or other action as permitted by the by-laws, territorial employment legislation, applicable policies for human resources, and/or the *Worker's* Employment Agreement or Contractor Agreement.
20. The corrective action, if any, will be communicated to the investigator who will then inform the *Worker* who submitted the report.
21. Decisions made under the terms of this policy may be appealed under the terms of the *Appeal Policy* provided that:
- a) if the *Worker* who submitted the initial report is appealing the decision, the *Worker* understands that their identity must be revealed if they submit an appeal; and
 - b) if the director or *Worker* against whom the initial report was submitted is appealing the decision, the *Worker* or director understands that the identity of the *Worker* who submitted the report will not be revealed and that NWT Snowboard will act as the *Respondent*.

Confidentiality

22. Confidentiality at all stages of the procedures outlined in this policy – from the initial report to the final decision – is the goal for all individuals (the *Worker*, the *Worker(s)*, or director(s) against whom the report is submitted, and the individuals interviewed during the investigation). An individual who intentionally breaches the confidentiality clause of this policy will be subject to disciplinary action.
23. In all stages of the investigation, the investigator will take every precaution to protect the identity of the *Worker* who submitted the report and/or the specific nature of the report itself. However, NWT Snowboard recognizes that there are some instances where the nature of the report and/or the identity of the *Worker* who submitted the report will or may be inadvertently deduced by individuals participating in the investigation.

Event Discipline Procedure

* This *Event Discipline Procedure* does not supersede or replace the *Sport Integrity and Complaints Policy* *

Purpose

1. NWT Snowboard is committed to providing a competition environment in which all *Organizational Participants* are treated with respect. This Procedure outlines how alleged misconduct during an *Event* will be handled.

Scope and Application

2. This Procedure will be applied to all *Events* designated by NWT Snowboard as using this Procedure.
3. If the *Event* is being sanctioned by an organization other than NWT Snowboard (e.g., by a national sport organization, host society or by an international federation), the procedures for *Event* discipline adopted by the host organization will replace this procedure, which may include the *CSSP* Rules.
4. Incidents involving *Organizational Participants* connected with [NWT Snowboard] (such as *Athletes, Athlete Support Personnel*, and directors and officers) must be reported by the head coach or team representative to NWT Snowboard to be addressed under the *Sport Integrity and Complaints Policy*, if necessary.
5. This Procedure does not replace or supersede the *Sport Integrity and Complaints Policy*. Instead, this Procedure works in concert with the *Sport Integrity and Complaints Policy* by outlining, for a designated person with authority at an *Event* sanctioned by NWT Snowboard, the procedure for taking immediate corrective action in the event of a possible violation of the *Code*.

Misconduct During Events

6. Incidents that violate or potentially violate the *Code* or any additional applicable conduct standards, which can occur during a competition, away from the area of competition, or between *Parties* connected to the *Event*, shall be reported to the designated person (usually the chief official) responsible at the *Event*.
7. The designated person at the *Event* shall use the following procedure to address the incident that violated or potentially violated the *Code*:
 - a) Notify the involved *Parties* that there has been an incident that violated or potentially violated the *Code*;

- b) Convene an Event Discipline Panel of either one (1) person or three (3) people (one of whom shall be designated the Chairperson), who shall not be in a conflict of interest or involved in the original incident, to determine whether the *Code* has been violated;
 - c) The Event Discipline Panel may interview and secure statements from any witnesses to the alleged violation;
 - d) If the violation occurred during a competition, interviews may be held with the officials who officiated or observed the competition and with the coaches and captains of each team when necessary and appropriate;
 - e) The Event Discipline Panel will attempt to secure a statement from the person(s) accused of the violation;
 - f) The Event Discipline Panel will render a decision and determine a possible penalty; and
 - g) The Chairperson of the Event Discipline Panel will inform all *Parties* of the Event Discipline Panel's decision.
8. The penalty determined by the Event Discipline Panel may include any of the following, singularly or in combination:
- a) oral or written warning;
 - b) oral or written reprimand;
 - c) suspension from future competitions at the *Event*;
 - d) ejection from the *Event*; or
 - e) other appropriate penalty as determined by the Event Discipline Panel.
9. The Event Discipline Panel does not have the authority to determine a sanction that exceeds the duration of the *Event*.
10. A full written report of the incident and the Event Discipline Panel's decision shall be submitted to NWT Snowboard by the Chair of the Event Discipline Panel following the conclusion of the *Event*.
11. A complaint and further discipline may then be applied in accordance with the *Sport Integrity and Complaints Policy*, if necessary.
12. Decisions made pursuant to this Procedure may not be appealed.

13. This Procedure does not prohibit other *Organizational Participants* from reporting the same incident to NWT Snowboard to be addressed as a formal complaint under the *Sport Integrity and Complaints Policy* and/or as a report through the *CSSP* process, if applicable.
14. NWT Snowboard shall record and maintain records of all reported incidents. Decisions by the Event Discipline Panel may be published according to the Publication Guidelines.

Timelines

15. The procedures outlined in this Procedure are *Event*-specific and therefore shall be exercised and implemented as soon as it is reasonable to do so. The final decision of the Event Discipline Panel must be reached and communicated to the *Parties* prior to the conclusion of the *Event* for it to be effective.
16. Decisions issued by the Event Discipline Panel after the conclusion of the *Event* will not be enforceable.

Concussion Policy and Code

Preamble

1. The *Concussion Policy and Code* (the “Policy”) is based on the 6th Consensus Statement on *Concussion in Sport*, released in June 2023, and *Rowan’s Law*.⁸
2. *Rowan’s Law* imposes three obligations on sporting organizations:
 - a) Receive an acknowledgment from *Organizational Participants* who are under 26 years of age, parents of *Athletes* under 18, as well as their coaches, team trainers (including *Athlete Support Personnel*) and officials that they have reviewed the published *Concussion* awareness resources;
 - b) Establish a *Concussion Code of Conduct*; and
 - c) Establish a removal-from-sport and *Return-to-Sport* protocol.
3. *Rowan’s Law* is the only legislation addressing *Concussion* safety in the country, and NWT Snowboard recognizes this legislation is the leading standard in *Concussion* prevention and awareness in Canada, and it is reflected within the Policy.
4. This Policy also incorporates the report of the 2022 *Concussion in Sport Group* (2022 CISG), a group of sport *Concussion* medical practitioners and experts that provided recommendations for preventing *Concussions*. These include implementing laws and protocols for mandatory removal from play following actual or *Suspected Concussion*; requirements to receive clearance for return-to-play from a healthcare provider; and education of coaches, parents and *Athletes* regarding *Concussion* signs and symptoms. These actions are associated with a reduction in recurrent *Concussion* rates.
5. A *Concussion* is a clinical diagnosis that can only be made by a physician. The 2022 CISG defined *Sport-Related Concussion*, in part as:

...a traumatic brain injury caused by a direct blow to the head, neck or body resulting in an impulsive force being transmitted to the brain that occurs in sports and exercise-related activities... Symptoms and signs may present immediately, or evolve over minutes or hours, and commonly resolve within days, but may be prolonged [...] Sport-Related Concussion results in a range of clinical symptoms and signs that may or may not involve loss of consciousness.
6. Timely recognition and removal, proper assessment and appropriate management are linked to faster recovery and improved outcomes following *Concussions*.

⁸ [Rowan's Law \(Concussion Safety\)](#), 2018, S.O. 2018, c. 1. (Note: *Rowan’s Law* applies ONLY to organizations located in Ontario. Participation by all other SOs is voluntary).

Purpose

7. NWT Snowboard believes that increased awareness of *Concussions* and their long-term effects, as well as prevention of *Concussions* is paramount to protecting the health and safety of *Organizational Participants*.
8. This Policy applies to all activities and *Events* for which NWT Snowboard is the governing or sanctioning body, including, but not limited to, competitions, practices, and training sessions.

Definitions

9. This Policy defines the following terms:
 - a) ***Athlete***: An individual who is an *Athlete* Participant in NWT Snowboard who is subject to the by-Laws and policies of NWT Snowboard.
 - b) ***Athlete Support Personnel***: Any coach, trainer, manager, agent, team staff, official, medical, paramedical personnel, parent, or any other person working with, treating or assisting an *Athlete* participating in or preparing for sports competition with NWT Snowboard.
 - c) ***Designated Person***: Refers to a person/people designated by NWT Snowboard removal-from-sport protocol and by its *Return-to-Sport* protocol for the purposes of fulfilling various duties indicated in this Policy. The Designated Person(s) is/are responsible for ensuring that:
 - i. an *Athlete* is immediately removed from further training, practice or competition if the *Athlete* is suspected of having sustained a *Concussion*,
 - ii. if the *Athlete* is under 18 years of age or such other age as may be prescribed, the parent or guardian is informed of the removal,
 - iii. such persons or entities as may be prescribed are informed of the removal, and
 - iv. once removed, the *Athlete* is not permitted to return to training, practice or competition, except in accordance with NWT Snowboard's *Return-to-Sport* protocol.
 - d) ***Organizational Participant*** includes one or more *Athletes*, *Athlete Support Personnel*, and other Individuals as defined in NWT Snowboard's by-Laws and policies.

- e) **Qualified Healthcare Professional:** Refers to a licensed health care professional who has been trained in *Concussion* assessment and treatment.
- f) **Return-to-Sport (RTS):** completion of the RTS strategy with no symptoms and no clinical findings associated with the current *Concussion* at rest and with maximal physical exertion.

Registration

10. When an *Organizational Participant* under the age of 26 years old registers with NWT Snowboard, the *Organizational Participant* **must** provide written or electronic confirmation that they have reviewed *Concussion* awareness resources within the past 12 months, pursuant to *Rowan's Law*. The Ontario Government has produced age-appropriate *Concussion* resources:
 - a) [Ages 10 and under](#)
 - b) [Ages 11-14](#)
 - c) [Ages 15+](#)
11. *Organizational Participants* under the age of 26 years old must also sign the *Concussion Code of Conduct* (**Appendix A, Part A**).
12. For *Organizational Participants* younger than 18 years old, their parent or guardian **must** provide confirmation that they have also reviewed the *Concussion* resources and signed the *Concussion Code of Conduct*.
13. *Athlete Support Personnel* must provide confirmation that they have also reviewed the *Concussion* resources and sign the *Concussion Code of Conduct* (**Appendix A, Part B**); but not if they will be interacting exclusively with *Organizational Participants* who are 26 years old or older.
14. While *Rowan's Law* mandates *Organizational Participants* and *Athlete Support Personnel* **under** 26 years of age to sign the *Concussion Code of Conduct*, NWT Snowboard also requires that those over the age of 26 familiarize themselves with relevant *Concussion* information and sign on the *Concussion Code of Conduct*.

Removal from Sport Protocol: Recognizing Concussions

15. Although the formal diagnosis of *Concussion* should be made following a medical assessment, the broader sport community, including *Athletes*, parents, teachers, coaches, officials, and *Qualified Healthcare Professionals* are responsible for the recognition and reporting of *Athletes* who may demonstrate visual signs of a head injury or who report

Concussion-related symptoms. Some sport and recreation venues will not have access to on-site *Qualified Healthcare Professionals*.

16. A *Concussion* should be suspected:
 - a) in any *Athlete* who sustains a significant impact to the head, face, neck, or body and demonstrates ANY of the visual signs of a *Suspected Concussion* or reports ANY symptoms of a *Suspected Concussion* as detailed in the *Concussion* Recognition Tool (see **Appendix B**); and/or
 - b) if an *Athlete* reports ANY *Concussion* symptoms to one of their peers, parents, teachers, or coaches or if anyone witnesses an *Athlete* exhibiting any of the visual signs of *Concussion*.
17. *Concussions* can be identified with the help of the *Concussion* Recognition Tool, 6th Edition (“CRT6”), **Appendix B**⁹
18. If an ambulance is called involving a *Minor Organizational Participant*, the parent/guardian and/or emergency contact of the *Minor Organizational Participant* must be contacted immediately.

Removal from Sport Protocol: Steps and Process

19. Removal of an *Organizational Participant* from the field of play should be done by the *Designated Person(s)* if there is suspicion of a possible *Concussion*. This person is either:
 - a) An on-site NWT Snowboard staff member; and/or
 - b) The *Designated Person* for the *Event*.
20. NWT Snowboard will identify the *Designated Person(s)*.
21. Recognition and removal from sport are actions that should be taken following reference to the CRT6 (Appendix B) The CRT6 is provided as a tool that non-medically trained personnel can use (i.e., the *Designated Person(s)*) for the identification and immediate management of a *Suspected Concussion*. It is not used to diagnose a *Concussion*.
22. Following the removal of any *Organizational Participant* on the basis of a *Suspected Concussion*:¹⁰
 - a) the *Designated Person(s)* who removed the *Organizational Participant* must call 9-1-1 if, in the *Designated Person’s* opinion, doing so is necessary;

⁹ As the CRT6 is updated and new versions are implemented, NWT Snowboard will update this Policy.

¹⁰ An *Athlete* must be removed by the *Designated Person* on the basis of a *Suspected Concussion* regardless of whether the *Concussion* was sustained or is suspected to having been sustained during a sport activity associated with NWT Snowboard.

- b) NWT Snowboard must create and keep a record of the removal;
 - c) The *Designated Person(s)* must inform the *Organizational Participant's* parent or guardian of the removal if the *Organizational Participant* is younger than 18 years old, and inform the parent or guardian that the *Organizational Participant* is required to undergo a medical assessment by a *Qualified Healthcare Professional* before the *Organizational Participant* will be permitted to return to participation; and
 - d) The *Designated Person(s)* will remind the *Organizational Participant*, and the *Organizational Participant's* parent or guardian as applicable, of NWT Snowboard's Removal from Sport and *Return-to-Sport* protocol as described in this Policy.
23. If an *Organizational Participant* is suspected of sustaining a *Concussion* but there is no concern for a more serious head or spine injury (i.e., no red flags as indicated in the CRT6), they should be immediately removed from the field of play, and proceed as follows:
- a) If a *Qualified Healthcare Professional* is present, the *Organizational Participant* should be taken to a quiet area and undergo sideline medical assessment.
 - b) If a *Qualified Healthcare Professional* is not present, the *Organizational Participant* should be referred for medical assessment by a *Qualified Healthcare Professional* as soon as possible. They must not return to play until medical clearance is received.
24. Once an *Organizational Participant* is assessed medically, and:
- a) is determined to **not** have not sustained a *Concussion*, they must provide a [Medical Assessment Letter](#) indicating this. The *Organizational Participant* can return to sport activities without restriction.
 - b) is diagnosed with a *Concussion*, they should be provided with a [Medical Assessment Letter](#) indicating this. The *Organizational Participant* may return in accordance with the *Return-to-Sport* Protocol in this Policy.

Return-to-Sport (RTS) Protocol

25. The table below contains the RTS Protocol, which is a requirement of Rowan's Law, once medical clearance has been received.

Stage	Aim	Activity	Stage Goal
1	Activities of daily living and relative rest (first 24 to 48 hours)	Daily activities that do not exacerbate symptoms	Gradual reintroduction of work/school activities
After a maximum of twenty-four (24) to forty-eight (48) hours after injury, progress to Step 2			
2A	Light effort and aerobic exercise	<p>Light aerobic exercise, such as stationary cycling or walking at slow to medium pace.</p> <p>Light resistance training that does not result in more than mild and brief exacerbation¹¹ *of <i>Concussion</i> symptoms. *(see <i>Concussion Policy and Code, Appendix B – Concussion Recognition Tool 6</i>)</p> <p>Exercise up to approximately 55% of maximum heart rate</p> <p>Take breaks and modify activities as needed</p>	Increase heart rate
2B	Moderate effort aerobic exercise	<p>Gradually increase tolerance and intensity of aerobic activities, such as stationary cycling and walking at a brisk pace</p> <p>Exercise up to approximately 70% of maximum heart rate</p> <p>Take breaks</p>	Increase heart rate

¹¹ Mild and brief exacerbation of symptoms (i.e., an increase of no more than 2 points on a 0–10 point scale for less than an hour when compared with the baseline value reported prior to physical activity).

Athletes may begin Step 1 (i.e., symptom-limited activity) within twenty-four (24) hours of injury, with progression through each subsequent step typically taking a minimum of twenty-four (24) hours. If more than mild exacerbation of symptoms (i.e., more than 2 points on a 0–10 scale) occurs during Steps 1–3, the athlete should stop and attempt to exercise the next day. Athletes experiencing *Concussion*-related symptoms during Steps 4–6 should return to Step 3 to establish full resolution of symptoms with exertion before engaging in at-risk activities. Written determination of readiness to RTS should be provided by a healthcare provider before unrestricted RTS as directed by local laws and/or sporting regulations.

3	Individual sport-specific activities, without risk of inadvertent head impact with school accommodations (as needed)	<p>Add sport-specific activities</p> <p>Perform activities individually and under supervision from a teacher, parent/caregiver, or coach</p> <p>Progress to where <i>Athlete</i> is free of <i>Concussion</i>-related symptoms, even when exercising</p>	Increase the intensity of aerobic activities and introduce low-risk sport-specific movements
<p>Medical clearance</p> <p>If the <i>Organizational Participant</i> has been medically cleared, progress to Step 4.¹²</p>			
4	Non-contact training drills and activities	Progress to exercises with no body contact at high intensity, including more challenging drills and activities	Resume usual intensity of exercise, coordination, and activity-related cognitive skills.
<p>If the <i>Organizational Participant</i> can tolerate usual intensity of activities with no return of symptoms, progress to step 5.</p>			
5	Return to all non-competitive activities, full contact practice and physical education activities	<p>Progress to higher-risk activities, including typical training activities</p> <p>Do not participate in competitive gameplay</p>	Return to activities that have a risk of falling or body contact, restore confidence and assess functional skills by coaching staff

¹² Athletes who have been diagnosed with a *Concussion* can be considered for medical clearance to return to sport activities with risk of contact or fall once they have successfully completed: Steps 1 to 3 of the sport-specific RTS strategy. To progress to Step 4 of RTS, the athlete must provide their coach with a Medical Clearance Letter that specifies that a medical doctor or nurse practitioner has personally evaluated the patient and has cleared the athlete to return to sport. In geographic regions of Canada with limited access to medical doctors (e.g., rural, remote, or northern communities), a *Qualified Healthcare Professional* (e.g., a nurse) with pre-arranged access to a medical doctor or nurse practitioner can provide this documentation.

6	Return to sport	Normal participation; unrestricted sport and physical activity
---	-----------------	--

26. The *Organizational Participant's Return-to-Sport* strategy should be guided and approved by a physician with regular consultations throughout the process. Specifically, progression through the later RTS strategy (Steps 4–6) should be monitored by a health care professional.
27. To fully return to sport, the affected *Organizational Participant* must provide NWT Snowboard with a medical clearance form, signed by a physician, following Stage 5 and before proceeding to Stage 6.
28. Additional consultation with a *Qualified Healthcare Professional* is recommended if there is recurrence of symptoms when progressing through RTS strategies.¹³

Administrative Responsibilities

29. NWT Snowboard will conduct a review of this policy annually.

Non-Compliance

30. Failure to abide by any of the guidelines and/or protocols contained within this policy may result in disciplinary action in accordance with NWT Snowboard's *Sport Integrity and Complaints Policy*.

Not Advice

31. Nothing in this Policy is to be interpreted as medical or legal advice.

¹³ In some cases, it may be in the best interest of the Athlete to discontinue their participation in Curling as a result of potential head injuries and *Concussions*.

Appendix A – Concussion Code of Conduct

PART A

The following section of the Concussion Code of Conduct must be signed by all Organizational Participants under the age of 26 years old. For Organizational Participants who are younger than the age of majority in the applicable territory, a parent/guardian must also sign this section.

I will help prevent Concussions by:

- wearing the proper equipment for my sport and wearing it correctly;
- developing my skills and strength so that I can participate to the best of my ability;
- respecting the rules of my sport or activity;
- demonstrating my commitment to fair play and respect for all (respecting other *Athletes*, coaches, team trainers and officials).

I will care for my health and safety by taking Concussions seriously, and I understand that:

- a *Concussion* is a brain injury that can have both short-term and long-term effects;
- a blow to my head, face or neck, or a blow to the body that causes the brain to move around inside the skull may cause a *Concussion*;
- I don't need to lose consciousness to have had a *Concussion*;
- I have a commitment to *Concussion* recognition and reporting, including self-reporting of possible *Concussion* and reporting to a *Designated Person* when and an *Organizational Participant* suspects that another *Organizational Participant* may have sustained a *Concussion*. (Meaning: If I think I might have a *Concussion* I should stop participating in further training, practice, or competition **immediately**, and I will tell an adult if I think another *Athlete* has a *Concussion*);
- continuing to participate in further training, practice or competition with a possible *Concussion* increases my risk of more severe, longer lasting symptoms, and increases my risk of other injuries;
- I have a commitment to zero-tolerance for prohibited play that is considered high-risk for causing *Concussions*;
- I acknowledge that mandatory expulsion from competition may occur for violating zero-tolerance for prohibited play that is considered high-risk for causing consequences; and
- I acknowledge that there are escalating consequences for those who repeatedly violate this *Concussion Code of Conduct*.

I will not hide Concussion symptoms. I will speak up for myself and others.

- I will not hide my symptoms. I will tell a coach, official, team trainer, parent or another adult I trust if I experience **any** symptoms of *Concussion*.

- If someone else tells me about *Concussion* symptoms, or I see signs they might have a *Concussion*, I will tell a coach, official, team trainer, parent or another adult I trust so they can help.
- I understand that, if I have a *Suspected Concussion*, I will be removed from sport and that I will not be able to return to training, practice or competition until I undergo a medical assessment by a medical doctor or nurse practitioner and have been medically cleared to return to training, practice or competition.
- I have a commitment to sharing any pertinent information regarding incidents of removal from sport with my school and any other sport organization with which I have registered. (Meaning: If I am diagnosed with a *Concussion*, I understand that letting all my other coaches and teachers know about my injury will help them support me while I recover.)

I will take the time I need to recover because it is important for my health.

- I understand my commitment to supporting the *Return-to-Sport* process and I will follow my sport's *Return-to-Sport* Protocol.
- I understand I will have to be medically cleared by a medical doctor or nurse practitioner before returning to training, practice or competition.
- I will respect my coaches, team trainers, parents, health-care professionals, and medical doctors and nurse practitioners, regarding my health and safety.

By signing here, I acknowledge that I have fully reviewed and commit to this *Concussion Code of Conduct*.

PART B

The following section of the Concussion Code of Conduct must be signed by all coaches and team trainers who interact with Organizational Participants under the age of 26 years old.

I can help prevent Concussions through my:

- efforts to ensure that my *Athletes* wear the proper equipment and wear it correctly;
- efforts to help my *Athletes* develop their skills and strength so they can participate to the best of their abilities;
- respect for the rules of my sport or activity and my efforts to ensure that my *Athletes* do, too; and
- commitment to fair play and respect for all (respecting other coaches, team trainers, officials and all *Organizational Participants* and ensuring my *Athletes* respect others and play fair).

I will care for the health and safety of all Organizational Participants by taking Concussions seriously. I understand that:

- a *Concussion* is a brain injury that can have both short-term and long-term effects;
- a blow to the head, face, or neck, or a blow to the body may cause the brain to move around inside the skull and result in a *Concussion*;
- a person doesn't need to lose consciousness to have had a *Concussion*;
- an *Organizational Participant* with a *Suspected Concussion* should stop participating in training, practice or competition **immediately**;
- I have a commitment to *Concussion* recognition and reporting, including self-reporting of possible *Concussion* and reporting to a *Designated Person* when an *Organizational Participant* suspects that another *Organizational Participant* may have sustained a *Concussion*;
- continuing to participate in further training, practice or competition with a *Suspected Concussion* increases a person's risk of more severe, longer lasting symptoms, and increases their risk of other injuries or even death;
- I have a commitment to zero-tolerance for prohibited play that is considered high-risk for causing *Concussions*;
- I acknowledge that mandatory expulsion from competition may occur for violating zero-tolerance for prohibited play that is considered high-risk for causing consequences; and
- I acknowledge that there are escalating consequences for those who repeatedly violate this *Concussion Code of Conduct*.

I will create an environment where Organizational Participants feel safe and comfortable speaking up. I will:

- encourage *Athletes* not to hide their symptoms, but to tell me, an official, parent or another adult they trust if they experience **any** symptoms of *Concussion* after an impact;
- lead by example. I will tell a fellow coach, official, team trainer and seek medical attention by a physician or nurse practitioner if I am experiencing any *Concussion* symptoms;
- understand and respect that any *Athlete* with a *Suspected Concussion* must be removed from sport and not permitted to return until they undergo a medical assessment by a physician or nurse practitioner and have been medically cleared to return to training, practice or competition.
- *For coaches only*: commit to providing opportunities before and after each training, practice and competition to enable *Athletes* to discuss potential issues related to *Concussions*.

I will support all Organizational Participants to take the time they need to recover.

- I understand my commitment to supporting the *Return-to-Sport* process.
- I understand the *Athletes* will have to be cleared by a physician or nurse practitioner before returning to sport.
- I will respect my fellow coaches, team trainers, parents, physicians and nurse practitioners and any decisions made with regards to the health and safety of my *Athletes*.

By signing here, I acknowledge that I have fully reviewed and commit to this *Concussion Code of Conduct*.

Appendix B – Concussion Recognition Tool 6 (CRT6)

CRT6™

Concussion Recognition Tool

To Help Identify Concussion in Children, Adolescents and Adults

What is the Concussion Recognition Tool?

A concussion is a brain injury. The Concussion Recognition Tool 6 (CRT6) is to be used by non-medically trained individuals for the identification and immediate management of suspected concussion. It is not designed to diagnose concussion.

Recognise and Remove

Red Flags: CALL AN AMBULANCE

If **ANY** of the following signs are observed or complaints are reported after an impact to the head or body the athlete should be immediately removed from play/game/activity and transported for urgent medical care by a healthcare professional (HCP):

- Neck pain or tenderness
- Seizure, 'fits', or convulsion
- Loss of vision or double vision
- Loss of consciousness
- Increased confusion or deteriorating conscious state (becoming less responsive, drowsy)
- Weakness or numbness/tingling in more than one arm or leg
- Repeated Vomiting
- Severe or increasing headache
- Increasingly restless, agitated or combative
- Visible deformity of the skull

Remember

- In all cases, the basic principles of first aid should be followed: assess danger at the scene, check airway, breathing, circulation; look for reduced awareness of surroundings or slowness or difficulty answering questions.
- Do not attempt to move the athlete (other than required for airway support) unless trained to do so.
- Do not remove helmet (if present) or other equipment.
- Assume a possible spinal cord injury in all cases of head injury.
- Athletes with known physical or developmental disabilities should have a lower threshold for removal from play.

This tool may be freely copied in its current form for distribution to individuals, teams, groups, and organizations. Any alteration (including translations and digital re-formatting), re-branding, or sale for commercial gain is not permissible without the expressed written consent of BMJ.

If there are no Red Flags, identification of possible concussion should proceed as follows:

Concussion should be suspected after an impact to the head or body when the athlete seems different than usual. Such changes include the presence of **any one or more** of the following: visible clues of concussion, signs and symptoms (such as headache or unsteadiness), impaired brain function (e.g. confusion), or unusual behaviour.

CRT6™

Developed by: The Concussion in Sport Group (CISG)

Supported by:

CRT6

Concussion Recognition Tool To Help Identify Concussion in Children, Adolescents and Adults

1: Visible Clues of Suspected Concussion

Visible clues that suggest concussion include:

- Loss of consciousness or responsiveness
- Lying motionless on the playing surface
- Falling unprotected to the playing surface
- Disorientation or confusion, staring or limited responsiveness, or an inability to respond appropriately to questions
- Dazed, blank, or vacant look
- Seizure, fits, or convulsions
- Slow to get up after a direct or indirect hit to the head
- Unsteady on feet / balance problems or falling over / poor coordination / wobbly
- Facial injury

2: Symptoms of Suspected Concussion

Physical Symptoms	Changes in Emotions
Headache	More emotional
"Pressure in head"	More Irritable
Balance problems	Sadness
Nausea or vomiting	Nervous or anxious
Drowsiness	
Dizziness	Changes in Thinking
Blurred vision	Difficulty concentrating
More sensitive to light	Difficulty remembering
More sensitive to noise	Feeling slowed down
Fatigue or low energy	Feeling like "in a fog"
"Don't feel right"	
Neck Pain	

Remember, symptoms may develop over minutes or hours following a head injury.

3: Awareness

(Modify each question appropriately for each sport and age of athlete)

Failure to answer any of these questions correctly may suggest a concussion:

- "Where are we today?"
- "What event were you doing?"
- "Who scored last in this game?"
- "What team did you play last week/game?"
- "Did your team win the last game?"

Any athlete with a suspected concussion should be - IMMEDIATELY REMOVED FROM PRACTICE OR PLAY and should NOT RETURN TO ANY ACTIVITY WITH RISK OF HEAD CONTACT, FALL OR COLLISION, including SPORT ACTIVITY until ASSESSED MEDICALLY, even if the symptoms resolve.

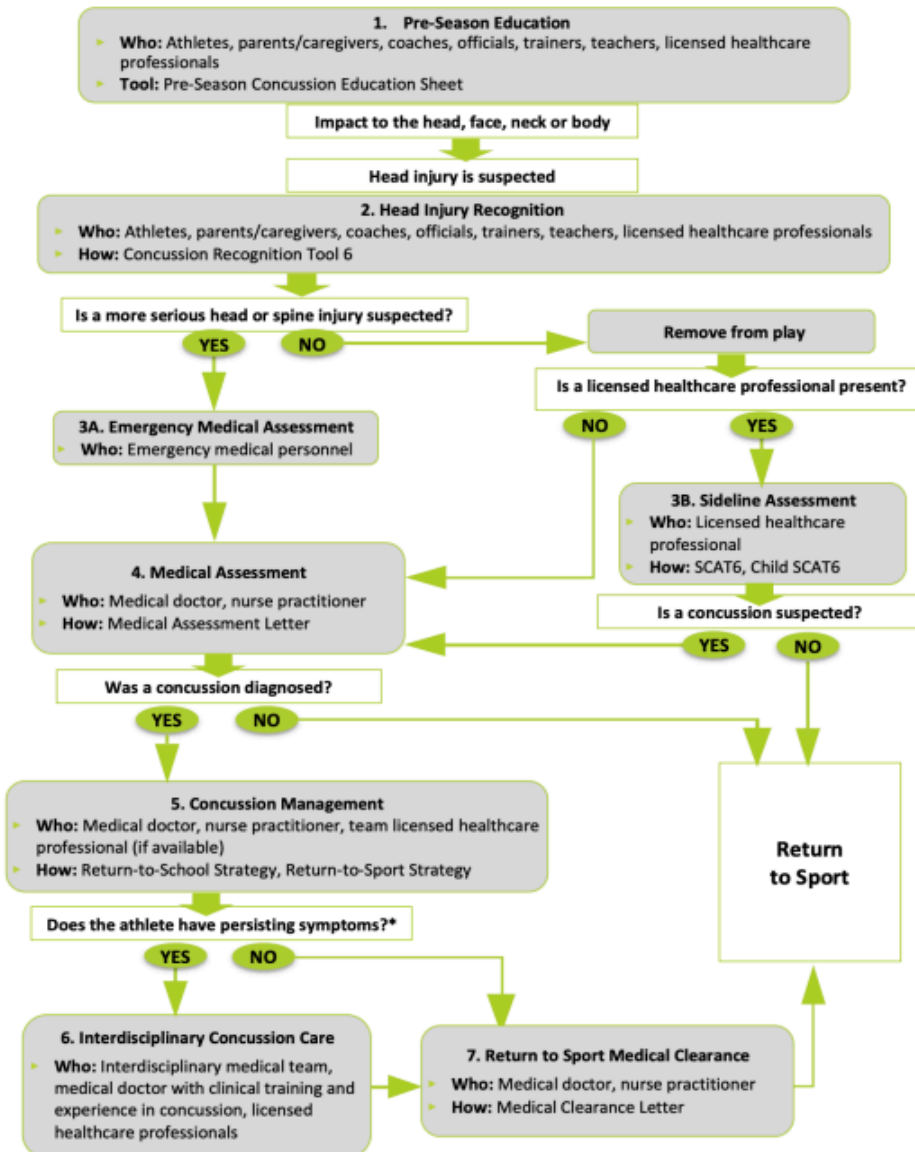

Athletes with suspected concussion should **NOT**:

- Be left alone initially (at least for the first 3 hours). Worsening of symptoms should lead to immediate medical attention.
- Be sent home by themselves. They need to be with a responsible adult.
- Drink alcohol, use recreational drugs or drugs not prescribed by their HCP

The flowchart that follows is a visual representation of the decision-making pathway that reflects the recommendations in this guideline.

*Persisting symptoms: lasting longer than 4 weeks

Appendix D – Key Points from CISG Recommendations

Refine

- The 2022 CISG identified several areas of refinement to strengthen future consensus statements: *Para Sport, Paediatrics, the Athlete’s Voice* and *Ethical Considerations, limitations, and improvements*. The following are relevant for NWT Snowboard’s application of this policy.

Para-sport

- The *Concussion* experience of the *para-Athlete* is unique, due to the interaction of the *Organizational Participant’s* primary impairment and the pathophysiology of *Concussion*. *Para-Athletes* require a more individualized approach when it comes to evaluating *Concussions*.
- NWT Snowboard should be aware that prevention approaches, detection of initial symptoms, diagnosis, recovery (i.e., potential for persisting symptoms of *Concussion*) and treatment strategies may be impacted by the characteristics of the *Organizational Participant’s* underlying impairment.
- *Organizational Participants* with visual impairment may be at even greater risk of *Concussion*, as the mechanisms of injury in this population are primarily through collisions or direct head contact.
- The following considerations by the *Concussion* in Para-sport Group are important for NWT Snowboard to keep in mind when dealing with para-sport *Organizational Participants*:
 - a) Para-sport *Organizational Participants* may benefit from baseline testing given the variable nature of their disability and the potential for atypical presenting signs/symptoms of *Concussion*;
 - b) Para-sport *Organizational Participants* with a history of central nervous system injuries (e.g., cerebral palsy, stroke) may require an extended period of initial rest;
 - c) Testing for symptoms of *Concussion* through recovery may require modification such as the use of arm ergometry as opposed to a treadmill/stationary bike; and
 - d) RTS protocols must be tailored and include the use of the individual’s personal adaptive equipment and, for applicable participants with visual impairment, partnership with their guide.

Paediatrics

- Child and adolescent *Athletes* are less likely to have trained medical personnel available on the sidelines, and it is strongly recommended that the CRT6 be used by all adults supervising child and adolescent sport.
- Children and adolescents with repeated *Concussions* wishing to continue to play or to progress to the next age-level group or programmes require individualized assessment.
